Grand Master's Report.

NEODESHA, KANSAS, Sept. 1st, 1908.

To the Grand Lodge of Kansas:—

REPRESENTATIVES AND BROTHERS:—The swift seasons roll, and now almost a year has come and gone since we met in our annual session as a Grand Lodge. Ere we are aware we are called by the unerring voice of time to assemble once again for the various duties that shall be thrust upon us. Many of those whose faces have graced the recent sessions of the Grand Lodge will not meet us this year. This is the heritage of life. Those whom we have learned to honor, rspect and love silently glide into the evening twilight of life and with muffled oar pass into the shades of the hills along the eternal shores. May God's richest blessings rest upon the lonely watcher who stands with longing face for visions of loved ones gone before, We are the losers because we have been deprived of their fellowship, counsel and aid in these strangely epoch making times. They are silent and we must be the voice both of the *Past* and *Present* whereby the essentially correct thing shall be spoken in view of what has been, what is now, and what should be in the to-morrow.

What has the year wrought? That is certainly a pertinent question for every lover of Odd Fellowship in Kansas to ask. It is our duty to give you a casual glance over what has happened, what has been achieved, and what could not be avoided. It has been very pleasing to note the added strength of the order numerically in most of the lodges that were under your scrutiny at last session. The apparently uniform effort on the part of the lodges to get a larger membership than hithertofore in spite of the depression along commercial and financial lines, has been extremely gratifying. Several lodges have had phenominal growth, such as should have special mention if time and space were afforded. There is no question but that if the depression had not come and the same energy had been axpended we would have reached the 50,000 mark at this session. What we have gained will remain to be seen. The spirit of conquest has been among us also and we have found not a few who have pushed out into hitherto unoccupied territory and there raised the flag of Friendship, Love, and Truth. It has been very pleasing to see these centers so strongly occupied by splendidly instituted new lodges. This has been no small part of the year's

achievements. For this I feel sure the Order is truly proud. We have a right to say that the splendid co-operation of the loyal workers in the lodges has made this recent up-to-date history possible, and to these workers belongs to greater amount of credit.

We have found some very perplexing problems. Probably few years have had so many points of differences on benefits. There may be reasons for this, but the chief one doubtless lies in the depression where both lodges and members became more exacting and careful of money matters. Quite a few appeals have come to this office, most of these having been settled by counsel and advice from this office, and by compromises effected between the disagreeing parties. However, the Grand Master has been unable to settle all the cases this way, and hence he reports the same for your consideration. Several cases have been the heritages of the past and beyond the power of the present administration, and hence are placed before you for confirmation.

It is true the work of this office requires much time and care. But all these tasks have been cheerfully and carefully undertaken to the best of my ability. Time has not been considered and care has not been spared in coming to conclusions in all matters. In most places the work has been pleasant. There are mistakes beyond a doubt, but we cannot expect otherwise for—"To err is human," and only He who sets Lord of all can be considered infallible. For these mistakes we can only ask your sympathetic consideration. Let me assure you all that there has not come in one personal feeling but all has been done for the good of the Order and for the establishment of true fraternity as embodied in Odd Fellowship. Therefore we gladly submit all the facts and circumstances to be fairly and impartially considered and weighed by you.

Permit me to say to you again how I appreciate the honor you have bestowed upon me by calling me to this high office, the gift of which is in your power alone. I have cherished the fact that you have so unanimously spoken your confidence in me and to parallel this confidence I have done my best to make a faithful officer. Therefore I submit to you my year's work for your inspection and candid judgment.

CHARTERS BURNED.

The charters and effects of lodges Nos. 164, 257, 430 and 465 were destroyed by fire. Nothing is more saddening for those who are in authority than to see the accumulation of months and years swept away in a few short hours. Yet this has been the case with these lodges. The brothers have been heroic in every case and the Grand Master has done all he could do to help them. Therefore I recommend that charters be furnished each of these lodges free of cost and two rituals be donated to each lodge, and if these lodges have already purchased the required amount that warrants be issued to same for the amount equal to the price of two rituals. All these lodges are now working under dispensation until the session of the Grand Lodge.

OFFICIAL VISITS.

It has been impossible to make as many official visits during the year as desired. This has been from several reasons, lack of time, heavy office work and the realization of the need of speedy reply to inquiries that come to the desk. The brethren have been most kind in inviting, yea, urging the Grand Master's presence upon regular and special occasions. However I desire to say I do not know any place where the needs of the case required the presence of the Grand Master, but that he has gone and received a most sympathetic hearing. In spite of the heavy work we have been privileged to make quite a few official visits and have been assured that good results have come from the same.

CORRESPONDENCE.

This part of our work has been exceedingly heavy. The large number of members, with the right of every member of access to the Grand Master and his time, has made the mails heavy with communications. It matters not how simple the question is and how plainly it has been answered in law or in decision, yet each one expects an early reply to his inquiry. He should have it. It has been

my pleasure to answer most of the letters and that by an early mail. There has been a necessity for brief replies to do this. This is a virtue.

Many have been the letters on points of order and matters of law. These have been interesting, perplexing and sometimes without any guide for solution. All these I have endeavored to answer in view of former decisions and the law as laid down in our digest and constitution. There are some conflicts, it is true, on minor points and one has been compelled to select which he deems the better in harmony with the law and the order. Many of these inquiries might have been avoided if the membership would familiarize itself with the Constitution and Busbee's Digest. Especially should every District Deputy feel it his duty to know the law and be able to turn in all matters of local as well as state interest and give the law concerning any question thus arising. This would save time and money to the Grand Lodge, and permit the Grand Master, more time to be among the brothers and in special and regular lodge functions.

Every member should have perfect liberty to make inquiries concerning any doubtful matter. This is very commendable in any one. and it is the delight of the Grand officer to aid such to the best of his power. This has been one of the pleasant features of the year's work and one which will be missed the most when the year's work is done.

PROCLAMATIONS.

In harmony with the usages and customs of our beloved Order. and upon the request from our Grand Sire, the Anniversary and Memorial Proclamations were issued calling upon and urging the lodges to severally and collectively properly observe these days which have been so much to our Order and around which have clustered great interests for all true Odd Fellows. As far as we have heard they have been effective and more than the usual number of celebrations and services have been held.

Also we have been under the necessity, by the call of the Grand Sire, to protest against the use of spurious and unauthorized publications, purporting to contain the unwritten and secret work of the Order. This practice had grown so bold among some that brothers in good standing were accused of selling such works. We urged all loyal and true members to disconntenence such practices and stand strongly against the same. This has had a wholesome effect as some of us well know.

CIRCULAR LETTERS.

During the year I have found it expedient to send out three cirular letters to the lodges and one to the District Deputy Grand Mas-

ters. Probably no better thing can be done than submit the same in my report. They are as follows and are for your inspection.

NEODESHA, KANSAS, October 23rd, 1907.

To the Members of the Subordinate Lodges:

DEAR FATHERS AND BROTHERS:—I write unto you who form the very sinew and power of Odd Fellowship and send you greetings. It is no common thing to be chosen by you to be the Grand Master of this great jurisdiction with its splendid history and its more splendid outlook. I also realize that my administration can never be what it ought to be unless every Odd Fellow in the several local lodges does his very best. These days success is only attained by perfect co-operation one with another and with this the task before us for the year is an easy one. Under such conditions we will reach our ardent dreams and make them real as a testimony of a great year's work done.

What a great order we have! What a magnificent membership we have! Over forty thousand are now enrolled under our banners. The dream of last year has been realized. What shall be our dream for the year now just begun? Shall it be a membership of 45,000? It can be reached if we do our best. It means the conserving of all our present membership and the adding of more—the rate of ten to every lodge in the state. Let me urge a strenuous effort to this end.

A gross criticism has been made against us. Some say we are not as choice as we should be in selecting our material for Odd Fellowship. Is the criticism just in your lodge? I trust not. However, a word of caution will not go amiss here. We need to see to it that only those are elected to membership, yea, are recommended, who will be true Odd Fellows and will reflect credit upon the great brotherhood. Bear in mind our order is not a reformatory neither is it an asylum. We must "oppose every evil," we must insist upon true manhood. I would rather have the year marked by a less growth in numbers and a great growth in tall manhood if only one can be secured but why not both? Surely there are many such men who will become of our body-Odd-Fellowship if we present our institution in a true light.

Let us take the best of care of our sick and give the tenderest attention in the hour of bereavement. It is said of the early christians "How they love one another." Let it be said of us as Odd Fellows "How they care for each other." That will make more for us than we can tell. The tender touch of love, the sympathetic presence, the quiet devotion and the responsive heart in these most trying times tell for life. The lodge that furnishes that kind of membership will never lack for material to shapen into a building fitly framed together. We are truthfully classed as a benevolent fratern-

ity therefore let us prove our fitness for being the foremost of our class.

Let every officer do his duty, have the work well committed, give diligence in attendance and see to it that every session is full of interest, where harmony and good fellowship reign supreme and where the right thing is done at all times. Avoid all appearances of contention and insist that only kindness and deep personal interest pervade every action. Settle every difficulty in the spirit of the Nazarene for he is the greater who serves and the one is th greatest who serves the most.

Let these words characterize the year: NOW, MINE, TRUTH, CONSIDERATION. NOW is the time for action. It is MINE to do. The TRUTH must prevail in all things. We must give CONSIDERATION to the other fellow in every matter that arises. Then peace, harmony, prosperity and success will crown our year's labors.

Yours Fraternally,
B. M. Powell, Grand Master.

Neodesha, Kansas, October 23rd, 1907.

District Deputy Grand Master:

My Dear Brother:—It is with great pleasure I enclose your commission as D. D. G. M., a position for which you have been recommended by your lodge. Let me say in the beginning that you represent the Grand Master in your lodge and I desire to express my confidence by saying that I believe you will do your very best. This will necessitate your being in perfect harmony with this office and the orders issuing therefrom. At the same time it is necessary that you hold the good will and esteem of the membership of your lodge. There is nothing like a careful adherence to the laws of our order in all things in winning the respect and esteem of all. If this is done in the spirit of brotherly love you are sure to win a very large place in the hearts of the lodge workers. It is your duty to see that the laws and usages of our beloved order are not infringed upon and this can be done without becoming offensive or being labeled as a fault finder or bigot. We should be generous but we must not be partners to a fault. This commission does not impart to you any other than loving authority to be administered in brotherly kindness.

First of all you must be a true Odd Fellow yourself and thus give an example to your brothers in the lodge. Prove yourself "in season and out of season' a man of large parts. Upon you depends largely the years success in your own lodge. See to it that your lodge does several things—1st, keep every member in good standing throughout the year and when one is in danger of dropping out visit him

personally and urge his continuance. If possible let your lodge report none dropped for non-payment of dues. 2nd, see to it that your lodge initiates at least ten men over and above those who die or are discontinued for any cause whatsoever. You can doubtless do this if you secure the cooperation of a few of the best workers in your lodge and you go after the best material.

Your duties will be varied. You will receive the Pass Word and communicate it as the law requires. You will see to it that only fit persons are installed into the respective offices; that the unwritten work is exemplified properly, (this should be done at least once a quarter), and that all signs are given correctly. If there is one thing to be lamented it is the reckless giving of the signs of our order. You will plan to make every evening the lodge meets interesting. I like the suggestion that a drill be given on the unwritten work and the signs when no other work is before the lodge. A most profitable time can be spent in this manner and the lodge become justly proud of these accomplishments.

Enclosed find the key to the P—— W—— for the year 1908, which must be kept as it is the only one sent you for the year. It is necessary that you acknowledge the receipt of the same on enclosed card. Unless you do the P—— W—— will not be sent you.

Keep good will, true fellowship, peace and harmony as constant guests in your lodge and among your brothers. Let me keep in close touch with you during the year. If I can help you write me as brother to brother. Let us see to it that our order advances with great strides this year.

Yours in Friendship, Love and Truth,

B. M. Powell, Grand Master.

Neodesha, Kansas, December 20th, 1907.

Brothers in Odd Fellowship:

Over two months of this Grand Lodge year, hence over two months of my term of office is now history. How quickly we make history, it is done ere we are aware of it. These weeks have been busy weeks to me and new things have forced themselves upon me at almost every turn. It is with gladness I have answered your communications as soon as possible. Some few have evidenced impatience, but as a rule all have been courteous and kind. I may ask that if there is a seeming delay remember there is some good reason for the delay. In the main all the letters of every kind, official and personal, have been a pleasure to me. Each one seemed to me to be the smiling face of a friend speaking good-will and well-wishes. To all of my many epistolary friends I extend a hearty greeting and a wide invitation to write me whenever you deem it necessary or desirable.

In the transmitting of any question to me give a full statement of fact at the very first and that will save me writing letters of inquiry. Much of the delay is of that character. I am sure I could have reached a much quicker decision and equally as just an one if this had been noticed in cases hithertofore.

I desire to report to you that these two months have been fruitful for the order. Our list of lodges stopped with No. 606, at the last Grand Lodge year. We now have No. 607 at Linwood, No. 608 at Rantoul, No. 609 at Lake City and No. 610 at Manchester, with inquiries from several other places desiring to arrange matters so that they can institute soon. We have had three Rebekah lodges instituted so far. This shows a splendid activity for the days gone by. Cannot we have two for every month of the year? I would have you report to me any special event in your lodge. I have had one report of a dedication. A splendid new Hall was dedicated November 6th by P. G. M. Hershberger. I would urge the lodges as soon as possible to own their own halls and thus place themselves in position of property owners rather than renters. This will give new zest to your membership and appeal to the better class of possible candidates. Try it.

It is with intense gratitude to the workers that I notice the splendid effort that is going on throughout the lodges that are working lodges. I have had not a few letters telling me of the great work being done. One lodge sent me notice and invitation to attend the initiation of a class of 44. Another wrote me about a very large class and so on. The one that initiated the class of 44 writes still further of their hopes and say they expect a class of 75 this month or soon. This work counts. This class idea will work and will bring rich returns. Appoint your special committees and make a systematic solicitation for membership among the best citizens and you will see the splendid results that will come.

I believe in rallies. Have a special evening, give a banquet or lunch, have in a good speaker and have a good social time together. Invite in those who will make good material for both the Subordinate and Rebekah branches and the result will be that you will have a large list of candidates. Such attention will not be amiss for the Order and great returns will follow. On these occasions do not have too long a program but one full of spice and devote much of the evening to personal social fellowship, keeping in mind the man you are after.

Insist upon the membership maintaining a right reputation such as our Order stands for. Do not allow any stigma to be placed upon Odd Fellowship by conduct unbecoming a member of our order. Several letters complaining of conduct have come to this office that have made my heart sick. How I long to see the time when

to be an Odd Fellow means that every excellent characteristic of noble manhood is there personified. This can be done only when we demand that every member live the right life before men everywhere.

Let the Subordinate Lodges everywhere assist the Rebekahs in making their lodges strong and if none exist in connection with your lodge see to it that one is instituted. The interest will take a new lease of life if you have a Sister branch as auxiliary to your lodge. If possible every Subordinate Lodge should have a Rebekah Lodge occupying the same territory.

Let your D. D. G. M. and your Secretary write me every month how you are getting along and also tell me of the initiations and increase in membership and interest.

B. M. Powell, Grand Master.

Neodesha, Kansas, June 12th, 1908.

To the Members of I. O. O. F. in Kansas:

The Grand Lodge year is fast coming to its close. Already eight months have come and gone and we have only four more months till our Grand Lodge Sessions at Salina. Much has been done and for what has been accomplished we rejoice greatly. The choicest of the seasons are ours yet and we can make the records of our lives in making what should be the events to be filed on the pages of history. Let us see to it that these days count the very most for Odd Fellowship and for the principles of Friendship, Love and Truth.

The most favorable reports have come from most of the lodges. This has proven to me that there are loyal workers throughout this jurisdiction. Only by the efforts persisently followed by loyal workers in the order do we find our numbers multiplied. Wherever you find the largest growth there you find two things to exist—First material out of which to hew Odd Fellows and tireless workers who go about with applications and pencils. It is the constant seeker after choice characters that is the valuable member of our institution. It seems to me that there should be very few now in the order that could not bring one candidate for initiation within the next few months.

There are some evidences that mark a great lodge. Let me mention them to you. I have been around among the lodges somewhat, and have found certain indications that mark the progressive lodges. FIRST—it is seen that the officers have committed their parts and they thoroughly understand what they speak, and they speak it with the spirit, and do not "mouth it as some players do." This means more than we at first think, but it is profoundly true that we never find a real, progressive, live, wide-awake lodge that has officers who read their charges. This first requirement ought to be insisted upon

by all lodges—MAKE YOUR OFFICERS COMMIT THEIR CHARGES. The SECOND exponent of a strong, progressive lodge is seen in loyalty to the lodge night and the demands upon the membership in attendance. Nothing can take the place of this. I need not enlarge on this point. It is so self-evident. The THIRD is to see to it that the loyal members in attendance are put through the chairs and given the honors of the lodge. Do not keep the same man in as Noble Grand two terms, but as rapidly as possible send men through and give them the right to attend the Grand Lodge. Give your young men a chance to get through likewise. FOURTH be sure to get a good Secretary, and then keep him in office as long as you can. This is the most important office of the lodge, and should not be in the hands of any one but a genuine Odd Fellow, and one who is true to his oath as a man. He does not run the lodge, but he does look after the accounts. FIFTH—have teams organized to put on the work—a team for each degree, and put different ones in responsible places and not put your work on the shoulders of one man. Here great wisdom can be shown and all the workable material can be used. These parts and charges should be committed and all be given from memory. LET US MAKE EVERY LODGE STRONG, PROGRESSIVE, LIVE, WIDE-AWAKE. We can if we will.

Again I wish you the greatest success. I am glad you have done what you have but let us all work together to make the lodges better yet by bringing in more of the best.

Yours in F. L. and T.,

B. M. Powell, Grand Master.

CONSOLIDATION OF LODGES.

This seems to have been a very desirable year for consolidation of lodges. The lodges consolidated are to be congratulated. Other consolidations are under very careful consideration, and in the near future doubtless will secure proper authority.

Gas City Lodge No. 541—LaHarpe Lodge, No. 492. Upon the petition of two-thirds of the members of the above mentioned lodges, an order was issued on April 13th, 1908, to consolidate Gas City Lodge No. 541 and LaHarpe Lodge No. 492 under the name and number of LaHarpe Lodge No. 492 to be located at LaHarpe, Kansas. On April 22d, 1908, the Grand Master in person consolidated the same.

Halcyon Lodge No. 18—Lawrence Lodge No. 4. Upon the petition of two-thirds of the members of each of the above named lodges, an order was issued on April 10th, 1908, for the consolidation of Halcyon Lodge No. 18 and Lawrence Lodge No. 4, under the name and number of Lawrence Lodge No. 4, to be located at

Lawrence, Kansas. This consolidation was perfected by the Grand Master, assisted by Deputy Grand Master W. H. Kemper and Grand Secretary Will J. Russell, on the 26th day of May, 1908.

CADMUS LODGE No. 485—LACYGNE LODGE No. 66. Upon the petition of two-thirds of the membership of the above mentioned lodges, an order was issued on May 22d, 1908, for the consolidation of Cadmus Lodge No. 485 and LaCygne Lodge No. 66, under the name and number of LaCygne Lodge No. 66 to be located at LaCygne, Kansas. This order was perfected and the consolidation made by the Grand Master on June 2d, 1908.

CHARTERS SURRENDERED.

Upon repeated evidence that nothing could be done at Waldron for Waldron Lodge No. 512, the Grand Master was under necessity of making that lodge a visit on August 3rd, 1908, and finding a disposition on the part of the membership to let things go and not meet the Charter was taken up and made ready for shipment to the Grand Secretary. This was subsequently done.

APPEAL TO THE [illegible]

The right to appeal from the decision of [illegible] erence to the case entitled "William Dorth vs. Howard Lodge No. 134, I. O. O. F." to the Sovereign Grand Lodge was granted at last Grand Lodge Session. In pursuance to said grant the plaintiff, through his attorney, prepared the proper papers, which were agreed upon by the attorney and representatives from Howard Lodge No. 134, and which were certified to by the Grand Master and Grand Secretary. The required printing was done in conformity to the laws of the Sovereign Grand Lodge and copies were sent to the Grand Representatives of this Jurisdiction and the entire matter put in their hands for defense. I am assured that every care will be taken that the interests of the Grand Lodge will be looked after. The result of this appeal will be officially communicated to you by the proper authority at the Grand Lodge session.

APPEALS.

S. T. Adamson vs. Horton Lodge No. 331.

This is a case that was left over from last year and was referred to the Grand Master to do three things. 1st, to investigate the certificate from the Committee of Scrutiny and of the trial lodge; 2nd, to require all the evidence offered at the trial to be sent to and preserved by the Grand Secretary until the first day of this session; and 3rd, to have additional evidence which may be offered from both sides sent in to the Grand Secretary.

I desire to say that I have examined the certificate from the Committee of Scrutiny and also of the trial lodge and as far as I am able to detect I find the same regular and all that the law requires, both being on record and having the seal of the lodge upon the same and

the records of the lodge at the time of the report of the Committee to the lodge and the scrutiny the following night certified to by the Secretary of the lodge.

On July 24th, 1908, I notified Horton Lodge to send to the Grand Secretary all evidences not sent in which were offered at the trial, and to be ready for the review at this session of the Grand Lodge.

I have written both Horton Lodge No. 331 and the attorney for Mr. Adamson to furnish all additional evidences desired to be submitted and the results are in the hands of our worthy Grand Secretary for presentation to the proper committee or to be given into the hands of the Grand Lodge as that body shall direct.

Andrews vs. Troy City Lodge No. 38.

This case is one of-years standing but has never been referred to the Grand Lodge for confirmation. It began in the time of Grand Master A[illegible]istration, was turned over to Grand Master [illegible] by him, but it was not submitted to the [illegible] some reason. It then came up again under the Hershberger administration and was turned over to the present administration to close up.

This case was vigorously prosecuted by the plaintiff with much evidence and greater and volunminous pleadings. Careful investigation brought to light the decision of Grand Master Saunders in which he ruled on Aug. 6th, 1906, "You were dropped for non-payment of dues—therefore I can do nothing for you and dismiss the matter." The refusal of the present Grand Master to re-open the case and the declaration that it was not in his jurisdiction brought forth a letter from the Grand Sire in the nature of an inquiry. The matter has been settled as the Grand Sire, upon receiving information asked for, has refused to interfere. Therefore the Grand Master asks confirmation by the Grand Lodge to close the case permanently so no other Grand Master will be bothered as the present one has been by this disturbing element, and that Troy City Lodge No. 38 may rest in peace.

Chas. Sherman Richie vs. Veritas Lodge No. 247.

Charges were preferred against C. S. Richie for conduct unbecoming an Odd Fellow, the case was regularly handled and all the requirements for a trial were met. The lodge found the brother guilty and he was expelled. An appeal was taken to the Grand Master.

The evidences taken and presented show no basis for the decision of the lodge, in fact they go to prove that the charges were not sustained, and that upon them Bro. Richie should not have been condemned. Bro. Richie may have done wrong, but he was un-

doubtedly innocent of the charges, therefore the appeal was sustained and the decision of the lodge was reversed and the lodge askd to reinstate the brother to the full rights of the Order.

Mrs. Fannie J. Bliss vs. Amelia Lodge No. 347.

This case is in reference to benefits of the deceased husband of the plaintiff, and she claimed that the defendant owed her husband sick and funral benefits. The lodge set forth the claim that the matter of sick benefits had been settled by Grand Master Hershberger and this precluded any Funeral benefits. After careful inquiry it was found that G. M. Hershberger had rendered a decision in which the eligibility of the deceased husband, Wm. Bliss to draw sick benefits was settled in the negative therefore the appeal for sick and funeral benefits was not sustained and the case dismissed.

Shawnee Lodge No. 1 vs. John F. Folger.

Charges were preferred against John F. Folger for conduct unbecoming an Odd Fellow, the Committee regularly appointed and upon proper petition a change of venue was taken to Topeka Lodge No. 40. The scrutiny was regularly held and the accused was declared not guilty. The matter was reported to Shawnee Lodge No. 1, and the prosecutor, W. E. Day, appealed from the action of Topeka Lodge No. 40 to the Grand Master.

After careful inquiry and painstaking effort to perfect the case the Grand Master examined the evidences. He finds that the trial was regularly conducted, the transfer to a sister lodge was properly done, and the trial was regularly completed. He further finds that the accused acknowledged having the spurious book of the unwritten work of the Order in his possession and that he exhibited it in his shop to several brothers, that this is sustained by other witnesses. The Grand Master further finds that the prosecutor has a right to appeal from the action of a lodge for acquitting, that the evidences of guilt are overwhelimng that John F. Folger had the book, that the law declares that for such an offense the lodge shall expel the guilty party, see Busbee's Digest, page 527, par. 1962, also page 555, par. 2063; therefore the appeal is sustained, the decision of No. 40 reversed, and John F. Folger is ordered expelled from the order; that Topeka Lodge No. 40 so reverse her decision and communicate the same to Shawnee Lodge No. 1, and order the above penalty to be handed out to the above mentioned John F. Folger.

A notice has been filed by J. F. Folger that an appeal is taken to the Grand Lodge of Kansas. All the papers are put in the hands of the Committee on Appeals.

J. A. Stillwaugh vs. Yale Lodge No. 537.

This is a case of sick benefits. Bro. J. A. Stillwaugh, a member

of Yale Lodge No. 537, opened a saloon at Litchfield and kept saloon there for five months. He became sick in December while he was running the saloon, and on 2nd day of January stopped the saloon business. He made application for his sick benefits and the lodge refused to pay the same. He appeals to the Grand Master. The lodge made the defense that as he went in the saloon business he forfited his benefits, that this is the custom for those engaged in this illegal business, though they received his dues and let him remain in good standing. They knew he was in the saloon business. Bro. Stillwaugh declares he never will again enter into the business. It is held that as long as the lodge allows any one to be in good standing and receive his dues and give receipt for the same even though they are in an illegal business the lodge is liable to all the benefits. Therefore the appeal is sustained and Yale Lodge is ordered to pay Brother J. A. Stillwaugh benefits for the time he was sick.

A. J. Colvin vs. Longton Lodge No. 242.

This is a case where the plaintiff was taken sick on April 18th, 1908, at Longton, Kansas, the location of his lodge No. 242. He brings affidavit to the effect that he was utterly unable to do work. and notified the secretary of the lodge personally on the third day of his sickness in his office (his disability was such that he was easier sitting up than lying down in bed and often found greater ease walking around than sitting in his chair.) The secretary of the lodge acknowledges this visit and notice but he declares it was not a notice and so did not act accordingly, that it was not such an one as required by law. The physician, Dr. W. F. Flack, gives a certificate that he doctored him from April 15th to May 3rd, and that he was totally disabled and required the assistance of others. On May 3rd, and while yet under the doctor's care and direction, he was sent down to Enid, Oklahoma, for his daughter to nurse. Upon his arrival there another physician was called, the lodge of Enid was notified in due time, and affidavits were given to show that they did the brotherly thing, telegraphing Longton Lodge No. 242, nursing the brother and visiting him as required. The telegram and communications from Enid Lodge are acknowledged by No. 242. Bro. Colvin has brought evidence that he was sick from April 18th 1907, to July 3rd, 1907, making 77 days, or 11 weeks. Longton Lodge refused to pay him any sick benefits as their letters will show. The correspondence shows that there is hard feeling in the lodge against Bro. Colvin. I have tried my very best to bring about harmony between Bro. Colvin and Longton Lodge No. 242, but without avail. I have suggested compromise to both parties. Bro. Colvin has been very courteous and agreed that rather than have a contention in the lodge he would compromise and would let it with me

to adjust and he would be satisfied, but letters from Longston Lodge No. 242 will show this suggestion was utterly disregarded and turned down. The lodge has insisted on the Grand Master visiting them and upon the agreement of the G. M. to come on conditions that they meet his expense as Grand Lodge requires by resolution and agree to abide by his decision they have written back refusing to meet the expense and unless decision was in their favor they would appeal to the Grand Lodge, using such methods to get a decision in their favor.

After all the evidences were in, upon repeated urging from the Grand Master, and upon careful investigation of the evidences, I find that there is undisputed proof that Bro. Colvin was sick eleven weeks and entitled to sick benefits for that time. Therefore his appeal was sustained and Longton Lodge was ordere to pay Brother A. J. Colvin $33.00 sick benefits. Notice is received through the Grand Secretary that an appeal was filed appealing from the decision of the Grand Master to the Grand Lodge. All the papers are submitted to the proper committee.

G. H. Mills, vs. Hewins Lodge No. 497.

This case is where charges were preferred against Bro. G. H. Mills for conduct unbecoming an Odd Fellow. The proper procedure was carried out and the committee appointed. The time was set for the hearing and the proper notices were sent. At the hour having received no notice and the accused not appearing the testimony was taken and made ready for report before the lodge. The next day a communication was received from Bro. Mills, mailed apparently in due time for reception by the committee but was not received by the committee. The lodge passed on the evidence and expelled the brother in regular way. Bro. Mills appealed from the decision of the lodge and the lodge never made any returns of the case till the Grand Master reminded them of the matter. They pleaded ignorance in the method of procedure. They then presented their case. After careful consideration of the evidences and procedure I cannot find any error in the action of the lodge save the failure to send transcript of case to the Grand Master in the required time. Therefore the finding is as follows:

First, I find that the trial was regularly held—charges being preferred, committee regularly appointed, the notices having been given according to law, that the time of meeting was made and held, that the defendant in the case notified the committee but the committee did not receive the same in time for the trial, that the defendant did not appear and the trial was regularly conducted, evidences taken and referred to the lodge and the lodge expelled Bro. Mills.

Second, I find that an appeal was regularly taken from the action

of the Lodge to the Grand Master and the lodge failed to send transcript to the Grand Master within the required time and until the Grand Master wrote to the said lodge about the matter and then they sent the transcript which had to be perfected. The defense of this neglect was ignorance of the law by the Secretary upon the advice of the N. G.

Third, In the face of the facts above stated I cannot find any law which will require me to throw out the case because of this neglect or will even permit me to do so. This law has been carefully searched for and none found.

Therefore Fourth, I admit the transcript sent in at a late date and later having been in a degree perfected and render my decision on the same as follows: That Hewins Lodge No. 497 be severely reprimanded for this neglect of duty, that they understand that the acts of the officials become their act, and that they are guilty of gross inefficiency, but in the face of lack of law or precedent in such matters, and in the face of the overwhelming evidence of the guilt of the offending party, that the appeal be dismissed and is hereby dismissed.

G. F. Keever vs. Vesta Lodge No. 153.

The appeal of Bro. G. F. Keever from the actions of Vesta Lodge No. 153, I. O. O. F., of Smith Center, for expelling him from the lodge for conduct unbecoming an Odd Fellow, was sent to me, and as this was an appeal direct to the Grand Lodge, and not to me, I sent all of the papers to the chairman of the committee of grievance and appeals, Bro. J. J. Roll, of Pratt.

DECISIONS.

I have tried to keep out duplicate matter as well as hitherto answered questions but I find this a hard matter. I have answered many letters by reference because so many questions have been answered time and again. If the lodges in looking over this report do not find their individual problems answered here in print they will doubtless find them in parallel decisions here or in recently published decisions referred to in the communications from this office. I have rendered the following decisions.

No. 1.

Question. Has the Subordinate Lodge the right to take the lodge funds to buy a billiard or pool table?

Answer. No, Busbee's Digest page 150 par. 507, makes it plain that the funds are trust funds and are to be used only for legitimate purposes such as to meet the claims of the sick, etc.

No. 2.

Statement: A brother was regularly and duly elected to membership and presented himself for initiation and when he was asked the question, "Are you so far as you know in sound bodily health," he answered "No." and explained some trouble with his side.

Q. Should the lodge initiate him?

A. Let the brother be examined by a competent physician and the statement be read to the lodge and the lodge determine whether he should go on or not. If the malady is such as will bring it in conflict with Art. 10 Sec. 1, he should not be admitted.

No. 3.

Statement: A brother, while playing a match game of ball, sprained his ankle. It was a painful sprain. With the assistance of his brother harnessing his team and helping him with the chores some he was able to do the farming he had laid out for his summer's work without hiring help. His claim to the lodge was for three week's sick benefits.

Q. Is he entitled to the benefits or not?

A. If the brother was not able to earn a living or follow his vocation he is entitled to benefits but if he was able to earn a living and did so certainly he is not entitled to benefits. See Art. 14, Sec. 1.

No. 4.

Statement: Our lodge has, for cause, suspended a member for a period of eighteen months. On the meeting night which the brother was suspended his attorney announced that they would appeal. Three weeks after they filed bill of exceptions. Our sitting N. G. claimed they had forfeited the right of appeal as the notice of appeal was not given in writing.

Q. What shall we do?

A. I find no law that states notice must be in writing. "The appellant must within a month thereafter file with the Secretary a written statement of the grounds upon which such appeal is based." Art. 17, Sec. 2. The thing to do is to go according to law and receive the Bill of Exceptions and follow the law in transmitting the same.

No. 5.

Statement: I am V. G. of our lodge. The N. G. lives at a distance from town. One of our members comes to me and presents his Official Receipt showing him in good standing and asks me to give him the S. A. P. W. as he is going away and has not got time to see the N. G.

Q. Have I the authority to communicate it to him? If not how can he secure it?

A. No. You do not have authority by virtue of your office. "The N. G. alone is authorized to communicate it or cause it to be communicated to members." However he can authorize you to communicate it if he so desires and thus all difficulty be avoided.

Q. Should the minutes of the lodge be closed at the end of the session and the receipts of the Secretary for the week be carried on the report of the next week?

A. Whn the lodge is closed there cannot be anything added to what was done and only what was done up to the closing of the lodge can go in the minutes of that session. All receipts after that time will be reported in the minutes of the next session, but the date money comes in the hands of the lodge it is property of the lodge hence all moneys paid for dues exercise the rights for which they are paid from date of receipt given by the Secretary.

No. 6.

Statement: A brother was three months in arrears for his dues. On or about July 10th he was hurt. August 11th he paid six months dues which was up to October 1st. The brother was up and around but not able to work. Then about November 15th he was attacked with heart trouble and on November 25th he died. The Lodge paid $40.00 funeral and $18.00 sick benefits.

Q. Was the widow entitled to this?

A. Art. 13, Sec. 1 we find the law that he was entitled to benefits from October 11th therefore the lodge did right in allowing the benefits providing the brother was notified as required by Sec. 3, of Art. 13.

No. 7.

Statement: On a certain evening the N. G. was absent and the chair was occupied by the V. G. and the Secretary in making the minutes changed the N. G. to V. G. and wrote in the name of the Vice Grand who opened the lodge. The following meeting night when the minutes were read there were objections to the minutes in that they did not show that the chair referred to was the chair of the N. G. The lodge sustaining the Secretary in that the minutes were plain enough to show that the lodge was opened by the V. G. who at the time was in the principal chair.

Q. Please inform us whether or not the minutes are correct.

A. The minutes of the lodge are to show what actually took place in the lodge room while the lodge is in session. If they do not do that they are not correct and should be corrected when read and before approving. No body is Noble Grand, but the Noble Grand, hence if another occupies the principal chair his title is to be used. The V. G. opened the lodge therefore the minutes are correct.

No. 8.

Statement: We wish to know if it would be against the laws of the Order to allow a Home Talent entertainment to be held in our lodge hall?

A. No ball can be held in an I. O. O. F. Hall. Other public or private entertainments under the control of the lodge are certainly admissable whether Home talent or not.

No. 9.

Q. Is it allowable for one of our P. G.s to dedicate our hall?

A. Yes.

Q. Must the positions in the dedicatory service of the Grand Warden, Grand Marshal, Grand Chaplain and other stations be filled with Past Grands?

A. No.

Q. Can we hold the dedication on our regular meeting night and dispense with the regular form of routine work?

A. Yes.

No. 10.

Statement: A brother who had a withdrawal Card dated Sept. 13th, 1906 made application in our lodge and was rejected Aug. 29th, 1907. He afterwards, Sept. 13th, 1907, makes application in another lodge which lodge writes and asks why the brother should not join that lodge. A motion was made "That the Secretary write the lodge that there was no reason why he could not join their lodge." The N. G. ruled the motion out of order because he had been rejected. Another motion "That there was no reason except he was rejected on Aug. 27th, 1907." This motion was received and carried.

Q. Was the N. G. right?

A. Yes see Art. 10, Sec. 5 Sub. Con. Busbee's Digest page 262, par. 934.

Q. The lodge voted to grant the above card on Sept. 6th, 1906, but it was not issued till Sept. 13th, 1906. Was it in date?

A. Yes. The card was dated Sept. 13th, 1906, and ran one year.

Q. The brother visited lodge which gave him the Withdrawal Card, after his election into the other lodge but had not yet signed the constitution. Was he entitled to sit with the lodge?

A. His relationship and standing were maintained by his election.

No. 11.

Q. When a member from another lodge commits acts unbecoming an Odd Fellow while visiting a lodge whose duty is it to prefer

charges? The lodge visited or the lodge in which he holds membership?

A. The lodge in which he holds membership.

No. 12.

Statement: A brother who is in good standing dies. He has no wife or children, or dependent relative. His father and mother being his heirs. His father has asked for funeral benefits.

Q. Is the lodge under obligation to pay the funeral benefits?

A. Yes. Sub. Con. Art. 14, Sec. 7, Busbee's Digest, par. 111.

No. 13.

Statement: We have in our charge books an Opening and Closing Prayer. We also have them in our constitution which differ from those in our charge books. As both books have been adopted by the Grand Lodge which should be used?

A. Either one may be used.

No. 14.

Q. How can a member of the Manchester Unity gain admission in I. O. O. F.?

A. Only by initiation. Busbee page 307, par. 1104.

No. 15.

Q. Must every lodge have a Nurse Hire Fund.

A. Yes. See Sub. Con. Art. 14, Sec. 9.

No. 16.

Q. How long must a man live in the jurisdiction of a local lodge before he can be taken in as a member?

A. He must have been in the state for six months at least. I do not find any law that requires any length of time in a local lodge jurisdiction but temporary residence will not make him eligible to membership. If residence is proven eligibility is established.

No. 17.

Q. Can a lodge hire a brother from another jurisdiction to instruct the team in the floor work and pay the brother out of the general fund?

A. No. The general fund is a trust fund and the legitimate purposes do not embrace such expenses. See Busbee page 150, par. 107. However there is a law that allows the lodge to set aside 5 per cent. of its receipts as a contingent fund to be used for necessary and proper obligations, but under existing laws cannot take out of the general fund. See Busbee page 149, par. 503.

No. 18.

Statement: Our lodge pays $6.00 a year dues and $4.00 per week sick benefits and wants to make the dues $5.00 per year and sick benefits $3.00 per week.

Q. Can we change its dues and benefits and not change the degree fees?

A. Yes.

No. 19.

Q. Our lodge has assessed the membership $3.00 per member to build a hall. A member has refused to pay. What should we do?

A. The action of the lodge was illegal. See Busbee's Digest par. 1840, page 498. You can increase your regular dues if you so desire. Those who have paid the $3.00 can have credit on dues.

No. 20.

Q. Can a brother who has served as Recording Secretary for six months be eligible to the office of Vice Grand?

A. Busbee page 375, Sec. 1360 says, "To be eligible to the office of Vice Grand a member must have served a term in some elective or in an appointive office in a Subordinate lodge other than those of trustee or chaplain." If the brother was serving an unexpired term or served to the end of the term and received the honors of the office as Recording Secretary he is eligible but not otherwise.

No. 21.

Q. Can a lodge keep a brother from taking the Initiatory and other degrees when the lodge has all the work it can do without giving two or three degrees a night, keeping the members up till twelve or one o'clock?

A. No. He is eligible to the degree at any time after election and the passing of a week. It would be better for the lodge to have special meetings for the conferring of degrees than to let anyone wait too long for initiation of degrees.

No. 22.

Q. A brother was duly elected and initiated. He received the 1st and 2nd degrees. After receiving the 2nd degree he went down stairs and got drunk and came up again but fell down stairs. What shall we do?

A. Do not allow him to go any further. Prefer charges against him and expel him as soon as possible. You treat the man that is initiated or has any degree as you would treat a Scarlet Degree member.

No. 23.

Q. Our By-Laws read that the charges for withdrawal cards

shall be 50 cts. We were offered 30 cts. for a withdrawal card and we refused the same. What should we charge?

A. The Sovereign Grand Lodge of 1906 passed a resolution that the Withdrawal Card shall be issued at actual cost to the lodge, the sum of 25 cts. See your Subordinate Constitution of 1906, page 175.

Again I would refer you to Busbee's Digest page 469 par. 1734, where it says, "The laws and decisions of the Grand Lodge of the S. G. L." must be conformed to.

If your By-Laws are not revised up-to-date I would get blanks from G. Secretary and revise them up-to-date and have things in harmony with the laws of the order.

No. 24.

Q. Has a brother the right to bring up grievances in a lodge against another brother after six months time have elapsed and has had numerous opportunities to have done so before?

A. I find no time limit, The right to prefer charges is retained as long as a brother is a member either active or holding a Withdrawal Card. See Art. 16, Sec. 9.

No. 25.

Statement: It seems that the Secretary issued receipts for three months in advance of what time the amount paid required.

Q. What am I to do when a brother shows a receipt for three months more than the books show?

A. If it is proven beyond a doubt that the old secretary made a wrong entry on the receipt then the brother will not object to the correction for every brother coming into our order has given his vow that he "will never wrong a Subordinate or Grand Lodge to the value of anything" and that certainly covers the case and if he insists upon receiving the benefits from dues he never paid he certainly is defrauding. Then the regular process is to be followed. If however you cannot prove the mistake you cannot take this method. If the books are wrong they must be corrected.

No. 26.

Q. A brother and his wife have not lived together for over a year but they are not divorced. Is the lodge under obligations to look after the wife?

A. Whatever responsibilities rest upon a lodge because a member has a wife will certainly rest upon the lodge whether the wife and husband live together or not. Odd Fellowship recognizes nothing but divorces in severing this responsibility of the lodge.

No. 27.

Q. Would it be legal to pass a resolution to fine a member who

got drunk, $3.00 for the first offense, $5.00 for the second offense and for the third offense expel him without preferring charges against him?

A. It would be illegal. The only thing to do is to prefer charges at first offense and clean your lodge of such characters.

No. 28.

Q. Is it necessary to take a ball ballot for election to every degree.

A. No. If there are no objections the candidate is entitled to the degrees in order. If there are objections then there must be a ball ballot and if rejected he cannot take the degree until proper time has elapsed and he is then elected.

No. 29.

Q. When a lodge at its last meeting night in May elects a secretary to act as both financial and recording secretary and he is duly installed, having given his bond can the lodge legally elect a financial secretary during the term without declaring the office vacant?

A. No. Likewise there must be a provision for the separation by resolution or if the by-laws recognize the office to be held by the same there must be a change of the by-laws before the lodge can elect a financial secretary, and in fact there would necessarily need to be a resignation or declaration of vacancy of office and the election of both recording and financial secretaries as the other was secretary and not one or the other.

No. 30.

Q. In visiting another lodge what are the requirements? Must the brother be examined in the ante-room?

A. If he is in his own Grand Jurisdiction there is no examination if he has the S. A. P. W. and the degree P. W. for they are proof sufficient that he is entitled to all the privileges of the order. If in another Grand Jurisdiction then the A. T. P. W. or Official Receipt in date is sufficient but examination in this case is in the ante-room and then he is brought in and formally introduced. See Sub. Con. page 176.

No. 31.

Q. In instituting a new lodge where there are not five withdrawal cards can it be instituted before the degrees are put on?

A. No. All charter members must have the degrees conferred upon them before the institution of the lodge. However that does not interfere with conferring degrees afterwards on others not charter members on that same evening.

No. 32.

Statement: A brother ten months in arrears was taken sick. In July he was duly notified of his arrears for the six months. After ten months in arrears he pays up his dues in full for a year, having been taken sick nearly a month previously but failing to notify his lodge of his sickness.

Q. Are sick benefits due him?

A. No.

No. 33.

Q. If the N. G. and V. G. are elected to second terms and the N. G. resigns must the V. G. be elected or just take the oath of office to fill unexpired term?

A. If the N. G. resigns and the lodge accepts his resignation there is a vacancy and the lodge should proceed to fill the same by election and installation. The V. G. has no right to take the oath of office for he has not been elected to it. He presides in the absence of the Noble Grand. When elected the V. G. becomes N. G. elect till installed.

Q. If N. G. in his second term resigns from office of N. G. who is sitting P. G. the one installed or remaining in the position because of the election of the N. G. a second term or the newly resigned N. G.

A. The Sitting or Junior Past Grand is not an officer of the lodge. See Busbee's Digest page 377, par. 1370, therefore as the N. G. resigns from his second term is entitled to the honors of the office he is Junior Past Grand hence it is his duty to occupy the seat of the P. G. and deliver the P. G.'s charge at initiations. See Busbee's Digest page 421, par. 1549.

Q. When the D. D. G. M. is not present at lodge and there is an installation what is to be done?

A. If a D. D. G. M. is not present and no representative of the G. M. present to act for him any P. G. may install. The designation of whom shall do it rests with the N. G.

No. 34.

Q. Who handles the excuse of the Noble Grand, he being present and in the chair, the Vice Grand or the Right Supporter of N. G.

A. The N. G. addresses the V. G. and makes his excuse to the lodge through the V. G.

No. 35.

Q. Can a brother who has been suspended by the lodge be taken back into the lodge before the term of suspension has expired?

A. Busbee's Digest, par. 1059 says, "The suspension of a member is intended only as a temporary punishment, to be regulated by

the magnitude of the offense . . . the moment the term fixed for the duration of the punishment expires, *ipso facto* the member returns to the full enjoyment of his position in the lodge without form." Sub. Cons. Art. 18, Sec. 2, "Can reinstate Suspended Member." Subordinate Lodge can reinstate a suspended member at any regular session, if three-fourths of the members present at such session agree thereto: Providing, That the application for reinstatement shall lie over two weeks after presentation before final action thereon by the lodge." My decision then in harmony with both of these is, *He can be.*

No. 36.

Q. Is a Greek eligible to become a member of the I. O. O. F. by initiation?

A. Yes. He is a white individual and does not belong to any of the prohibited races. The only persons prohibited are negroes, mixed bloods, Indians, Mexicans, Chinese, Japanese and Polynesians.

No. 37.

Q. Is there a law that requires the R. S. and L. S. to the N. G. to be a P. G.?

A. No. Any Scarlet Degree member can be put in either one of these positions.

No. 38.

Statement: There are five orders which meet in one lodge room. They pay equal expense for maintaining the hall. The I. O. O. F. owns the altar, Bible and stands.

Q. Would it be allowable for the I. O. O. F. to sell interest in these things?

A. Yes.

No. 39.

Q. At our last lodge meeting it was voted to give each member who paid in advance a 10 per cent discount. Our by-laws say that we shall pay $6.00 per year dues. Can I give a receipt for $6.00 when I receive only $5.40?

A. No. It would be illegal and you would be liable for the other 60 cents. This is a change of the by-laws and if the lodge desires to change the by-laws it must be done in the regular way. They can require that the dues be paid in advance if the they wish and put on a fine if not paid in advance but cannot make a discount.

No. 40.

Q. A brother has been dropped for non-payment of dues for ten years. What fee should accompany his petition.

A. You should govern yourselves entirely by Art. 13, Sec. 4, which says that the amount shall not exceed the initiatory fee for the same age.

No. 41.

Q. When we have two or more candidates for the initiatory degree after the obligation how should we do the work. Let one sit down and see the other put through or should we have the same number of conductors and have them go around through it?

A. Have as many conductors as there are candidates and have each candidate go through the entire work. It is unlawful to have any candidate sit down in the initiatory and see the work. All must go through the ceremony.

No. 42.

Q. If a motion is carried on meeting night can the same business be taken up the next night, or rather the same matter or motion the next regular meeting night without a reconsideration of the question?

A. If the lodge passes a motion that action binds the lodge and the lodge must abide by that action unless that action is rescinded by a vote of the lodge. The thing would be inconsistent to have the lodge bound to two contrary methods of procedure.

Q. Can a lodge open in the Third Degree admit a committee of Rebekahs without closing lodge or having a recess?

A. It would not be consistent to close the lodge and the very fact that the lodge admitted the committee a recess was taken by common consent even though there was no formal announcement of the fact. All business however must be suspended till after the committee retires. The minutes should have the fact recorded that a committee from the Rebekah Lodge was received and listened to.

No. 43.

Statement: Can a woman who is the daughter of a member of the Manchester Unity join the Rebekah's upon her father's certificate, she being married and her husband not a member of the Order?

A. No. See Busbee's Digest par. 14, where it says "Cards of Manchester Unity not recognized, and they are treated as if they do not belong and can only become a member by initiation.

No. 44.

Q. How is the 5 per cent fund mentioned in Art. 12, Sec. 6, page 48 of Sub. Lodge Con. 1906, set apart? Is it a mere resolution or a by-law?

A. It is an amendment to the by-laws and it must go the course

of all by-laws or amendments thereto, this is done by resolution which amends the by-laws and it will require two-thirds vote when it is legally brought before the lodge—the proper way to bring up the matter is seen in Art. 18, Sec. 9, 10, and 11, also Res. page 181.

Q. Can this 5 per cent fund properly created be used for premiums for securing members or for credits on dues of brothers recommending members to the order?

A. To my judgment it cannot be thus used.

No. 45.

Q. Is it necessary to note the officers present as well as the absentees?

A. I find no law that requires the noting of any but the "Absentees." See Order of Business 2 and 17 page 92, Rule 3, for purpose of the same. However I do not find any law against noting the same and if the lodge wished them to be noted it is very little thing to do. The Roll Call Book is a convenience for this purpose and so is the Keifer Minute book in providing blanks for same.

No. 46.

Q. Has the lodge or N. G. a right to allow any one to sit in lodge who does not have the P. W. but has an official receipt showing he is in good standing.

A. Yes. As long as a brother has evidence that he is in good standing in the jurisdiction he has a right to sit in lodge.

Statement: The lodge has a beautiful picture of Thos. Wildey with emblems. They have left it go to a brothers office for purpose of advertisements and securing members. They desire it to be brought back and hung in the lodge room. The brother refused to bring it back.

Q. What right has the lodge to exhibit pictures for advertisement or to let any property to go into the keeping of another?

A. The lodge has a right most certainly to request the return of the property it has loaned and no brother ought to refuse to return the lodge property which the lodge has kindly loaned either for utility or aesthetics.

No. 47.

Statement: We have a brother who is 18 months in arrears but is reported in good standing on account of error on secretary's part. He offered dues at one time for 6 months to secretary who could not make change.

Q. Does this incriminate the secretary and is the lodge forced to pay dues?

A. It is not the fault of the secretary if the brothers bring big bills which he cannot change. It is their duty to bring the exact

amount or leave the whole amount with the secretary and trust him to make the proper change later. He cannot and dare not give receipts when money is not left with him.

The lodge is not under obligations to pay benefits to any man behind with his dues three or more months.

No. 48.

Statement: A brother died who lived a little distance from where the lodge is situated and as soon as the news reached the lodge a committee went at once and found the widow in destitute circumstances. They advanced $10.00 on the amount due her from the lodge. Since the burial she has left the place and we have not been able to locate her.

Q. What will we do with the other $29.00 due her. The funeral expenses have not yet been met.

A. I take it that $9.00 that you paid her was sick benefits due her. The $29.00 you hold yet is funeral benefits hence I rule that you pay the undertaker to that amount and take his receipt. Then do all in your power to find the widow and forward the receipt to her. If you can find the widow pay the amount to her. See Busbee's Digest page 36, par. 107, last part.

No. 49.

Statement: The N. G. was present on time in the lodge room, he appointed a secretary pro tem, the secretary being absent and having the keys so the rituals and papers could not be gotten, so they recorded those present and though there was a quorum present held no meeting. They submitted the minutes for approval.

Q. Should the minutes be approved and recorded?

A. Certainly they should be approved if correct. However the N. G. should have held meeting since there was a quorum present even though the mere order of business was passed over without doing a thing. He had no right not to hold a session. See Busbee's Digest, par. 1856.

No. 50.

Q. Under the order when at ease or having a brief recess can brothers come and go out without going through the regular form?

A. It is generally understood that when the lodge rests from labor or business that the members have full freedom to go and come. Of course if any should come in the outer door they would have to ring bell or give alarm and give the P. W. if the guardian is in doubt as to their eligibility, and when lodge resumed work such should be required to enter according to law. See Busbee's Digest par. 1886.

No. 51.

Statement: We have a letter from the wife of a deceased brother of this lodge. He was dropped for non-payment of dues about a year before his death. She wants to know what it will take to have his name reinstated on the records of our lodge. We do not know her object.

Q. What can we do in this matter?

A. You can do nothing. There is no way to have his name on the records now. You can only write to her and tell her you cannot do any thing, that death makes all on the same level in and out of the lodge.

No. 52.

Statement: Up to Dec. 31st, 1905 our dues were $4.00 per year. Jan. 1st, 1906 the dues were changed to $5.20 per year and 40 cents nurse hire making in all $5.60 per year. In 1905 some of the members paid their dues in advance to 1908 under the old law at $4.00 per year.

Q. Should these brothers pay the difference on the dues during these two years as those who had not paid in advance?

A. Yes. See Busbee's Digest, page 126, par. 427.

No. 53.

Q. If the N. G. elect resigns can we elect another N. G. on the same night the resignation is accepted by the lodge?

A. Yes.

No. 54.

Q. Can a brother who practices telling obscene stories, swearing and using vulgar language in the lodge room be charged with conduct unbecoming an Odd Fellow?

A. Profanity is held by the S. G. L. as immoral when the Grand Lodge so declares. Using abusive language in lodge is also violation of the rights of the order. The local lodge will have much to do with the interpretation of "Conduct unbecoming an Odd Fellow."

No. 55.

Q. Is it legal or allowable to entertain a motion of any description under the head of "The good of the Order"?

A. Yes. There are many things that have special headings but there are some things that it would be perfectly in order to bring up under this head and such too as would require the action of the lodge.

No. 56.

Q. Can a N. G. who when elected was a resident of this juris-

diction and changed his residence into another jurisdiction still serve as N. G. while a resident of the other jurisdiction?

A. I have not been able to find any law to the contrary. It seems to me when we are granting dispensations for lodges on the borders of the jurisdictions to initiate and elect to membership those who live in other jurisdiction than the one in which they reside that the same rule will allow them to hold office as those who live in the jurisdiction.

No. 57.

Statement: One of our trustees asked the lodge to grant him permission to change one of his bondsmen. The lodge granted him his request. Then he refused to do any thing claiming that he had his man at lodge twice and the lodge would not make the change.

Q. Whose duty was it to perfect the change of bondsmen and release the one and have the other stand good?

A. It was the trustees duty to perfect the change and submit his man to the lodge. The lodge could not accept the man as bondsman till his name was on the bond. The other was not released till the substitution was made and ratified by the lodge.

Q. Is it right for the N. G., V. G. or the N. G. elect to be bondsman for the secretary?

A. No.

No. 58.

Statement: We have a brother who is in arrears and whose family is sick, having three children down with the Typhoid fever.

Q. Can we help him any from the funds of the lodge?

A. Yes. See Busbee's Digest, page 152, par. 512. This donation can be made by a vote of two-thirds present, the N. G. voting as the rest.

No. 59.

Statement: Our lodge by vote refused to grant a Dismissal Certificate to a suspended member.

Q. Is there any law for the action of the lodge?

A. Busbee's Digest, page 97, par. 302 says, "A lodge has no right to refuse a dismissal certificate to a member suspended for non-payment of dues who makes proper application for the same. The laws of the S. G. L. insure him this right, and subordinate bodies must conform to them—unless charges are preferred." Notice also Art. 13, Sec. 6, of our Sub. Con. Here the certificate may be granted at discretion of the lodge if less than five years suspended, etc. If more than five *must,* or to one desiring to join in another jurisdiction, or if reinstatement refused. You have not told me which case this one is under.

No. 60.

Q. Can the N. G. and secretary, issue a dismissal certificate without the vote of the lodge?

A. See Busbee par. 309, where the law makes it obligatory, if over 5 years or desire to join in another jurisdiction or where refusal to reinstate. Yes.

No. 61.

Q. If a neighboring lodge asks our consent to take in a candidate out of our jurisdiction and said request is granted, whose duty is it to wait upon said brother if he should become sick?

A. It certainly is the duty of the lodge to which he belongs and not the one in whose legal jurisdiction he rightfully belongs. It is assumed that there are some natural reasons why a brother is permitted to join another lodge rather than the one in the district in which he lives—either distance or hard access or other similar conditions and these things will make it much easier for the lodge to which he belongs to call upon him and administer to his needs.

No. 62.

Q. Does a member violate his obligation or wrong a brother by trying to collect a claim through the courts before bringing it before the lodge?

A. Collection of debts should be kept out of the lodge room. See Busbee pars. 1983-1985.

No. 63.

Q. Has the relief committee full power to obligate the lodge to payment of relief prior to a meeting?

A. In contageous diseases and where it is necessary the relief committee has power to employ a nurse. Benefits are always referred to the lodge and never granted or ordered by any person or committee. See Art. 14, Sec. 3. Of course report must be made at next meeting night and the lodge can rescind action of relief committee.

Q. Has the relief committee full power to drop a brother from the sick list or instruct the N. G. to so order?

A. It is the duty to report to the N. G. and the N. G. orders brother from the sick list, the lodge concurring.

We have to bear in mind that any committee is only delegated and hence that body which creates that body is much greater than the body itself and has a right to undo any action the delegated has done if it is not pleasing to the same. Of course the one act is binding till annulled—that is in contageous disease and necessity.

No. 64.

Q. Is it lawful for the lodge to rent the lodge room to an other order for use on a certain date when it will conflict with our regular meeting so we cannot hold any meeting on that night?

A. No.

No. 65.

Q. Can a P. G. act as Grand Marshall at Rebekah installation?

A. Yes, providing he is a Rebekah in good standing.

No. 66.

Q. If the N. G. is out of town for a month or more and is excused by his lodge can he appoint some one to preside in his absence?

A. No. It is the duty of V. G. to preside in his absence.

No. 67.

Q. Who appoints the janitor? He is a salaried person in our lodge. We are incorporated.

A. The Trustees. He is not an officer but cares for the lodge property.

No. 68.

Q. Can we have a collective ballot in electing to membership?

A. No. Busbee, par. 953.

No. 69.

Q. When a proposition for membership has been received and the committee has been appointed and a week or more has elapsed and one is certain the report is being held back for reasons that there are some in the lodge room who will oppose the election and cast black balls is it possible to force a report?

A. The case is very clear, the law says, Art. 10, Sec. 2, "Which (petition) shall be read in open lodge, and referred to a committee of investigation, consisting of three members, to be appointed by the N. G., who SHALL inquire into the character, moral standing and physical qualifications of the applicant and report to the lodge at the next regular meeting, (unless the petition is withdrawn) and the petition SHALL then be balloted for or petition referred back to the committee." I hold that the committee must report the next week after reference and one of two things must be done, EITHER balloted upon or referred back to a committee.

No. 70.

Q. An application was received for admission by initiation and voted upon regularly. The N. G. declared the candidate elected. Afterwards when lodge was closed, the V. G. said there were three

black balls cast. The N. G. has poor eye-sight. Is the candidate elected and shall we go ahead and initiate?

A. It was the place of the V. G. to call the attention of the N. G. to the ballot and insist upon another ballot if the ballot was destroyed when the N. G. made his decision. If ballot had not been destroyed he would have examined more carefully and verified his decision. Since the V. G. failed to exercise his right at the proper time he acquiesced in the decision and my ruling is that the candidate is elected. You should go ahead and initiate unless election is annulled according to law.

No. 71.

Q. Are we liable for sick benefits when a brother was in arrears almost seven months and over six months and then sends $4.50 dues and then claims sick benefits from within a month of the time he sends in dues?

A. No. · The constitution is very plain in the statement that if one is in arrears six months it must be six months after he has paid his dues before he is entitled to benefits and in the meantime he must pay all accruing claims upon him. In other words he must keep his record clean.

You will be liable for sick and funeral benefits after six months providing he keeps up his dues and keeps in good standing.

No. 72.

Q. A brother $4.50 in arears on Jan. 1st, 1908, paid the $4.50 on Dec. 6th, 1907. The 10th of Jan., 1908, he was taken sick. Is he entitled to sick benefits?

A. The law is very plain. If the arrearage amounts to three months dues and he paid on Dec. 6th, he would not be entitled to sick benefits till Feb. 6th, 1908. See Sub. Con. page 123, par. 214.

No. 73.

Statement: We had a brother who was $8.00 in arrears and on Dec. his name was read and he was dropped for non-payment of dues. The next meeting the secretary announced that he had received by mail (the brother living in another state) the $8.00. Thereupon a brother who voted to drop him for non-payment of dues moved a reconsideration of the motion to drop the first brother and it was carried.

Q. Was it allowable to consider the question that way?

A. The motion could be reconsidered and the brother could be put back into his former relations that way but the motion should lay over a week. See Sub. Con. page 97 rule 16. Then, when such a notice was carried, the brother would be in the same relations he

was before he was dropped. His dues would put him in good standing.

Q. Could a motion made, seconded and put for reinstatement follow the motion to reconsider (that being carried)?

A. No. There is a form for reinstatement laid down in Sub. Con. Art. 13, Sec. 4. Then again he is not in position to be reinstated for when the motion to drop him is reconsidered and carried he is back in good standing again.

No. 74.

Q. Has the N. G. a right to suppress charges against a brother who curses in open lodge and accept an apology for such an offense —at the same time having the charges in his possession?

A. The N. G. has no power to suppress any charges which are made according to the law. The lodge has a right to dismiss any charges it deems fit. In the case you mentioned I presume the lodge would dismiss charges after an apology had been made. The N. G. has only one thing to do and that is read the charges when they are lawfully presented to him.

No. 75.

Q. Charges were preferred against two brothers in regular form. The regular committee was appointed and the time and place for investigation named and the brothers against whom charges were preferred notified. The sitting P. G. was not notified. The accused failed to appear. Was it a legal meeting?

A. The lodge did not have any chance and if there had been a hearing it would not be a legal hearing for both sides have a right to fair and impartial presentation. If the other side failed to appear that is no fault of the lodge hence it has the same effect as if sitting P. G. was notified.

Q. There being no sitting P. G., no witnesses heard and accused brothers not appearing though properly notified by secretary can the lodge expell the accused for contempt?

A. Yes. For it was contempt even though the plaintiff was not ready for trial, the defendants ignored the action of the lodge which was legal as far as it had any dealings with the accused.

No. 76.

Q. If there are several candidates and the ballot is ordered and election is had on two members and two black balls are found in the box and the N. G. declaring them elected, miscalling the ballot, and during the balloting for the rest he discovers the error before any other business, orders a new ballot on these two and finding them the same as the first time declares them not elected. Objections are raised and claimed the last ballot was illegal. Was it illegal?

A. No. The N. G. had a right being in doubt, to call for a new ballot. See Sub. Con. Art. 10, Sec. 4.

Q. When a motion is made to reconsider an unfavorable ballot by legal parties and carries can the ballot be taken up within a week?

A. No. One week must elapse. Sub. Con. Art. 10, Sec. 13.

No. 77.

Statement: We have a brother who has been appointed to L. S. of N. G. and was installed and was present two nights and absent twenty-four. He was later, on the 8th day of May, 1907, appointed L. S. S., and was installed and attended five out of the eight nights. The three nights were not excused.

Q. Is he eligible to election to V. G.?

A. Yes. He served the majority of the nights of the unexpired term hence that will give him the honors of the office and if elected could be installed as he is eligible to election to that office.

No. 78.

Statement: If the N. G. knows that all present are in good standing and dues paid in advance and all other requirements for the A. T. P. W. would the N. G. be allowed to get up and announce and explain the A. T. P. W. to the brothers?

A. I can find no law which tells us we have that privilege. It does seem to me that would be a very unwise plan to communicate any Pass Word. I do not know of any order that communicates its important P. A. in that way. The more secret and private way to my mind is the best.

Q. In balloting and while the ballot box is sitting on the pedestal in the center of the room should it face the N. G. or V. G.?

A. The ballot box should face the V. G., so the one voting would face the N. G. while he drops in the ballot. It is always in order to give honor to the superior officer and hence the one voting should face the N. G. when dropping in the ballot. This would necessarily cause the ballot box to face the V. G.

No. 79.

Q. A brother of this lodge went to Kansas City and was operated upon for Hernia. Previous to his operation he was around and regularly did his work. Are we under obligations to pay him sick benefits while he is confined in the hospital from said operation?

A. No. His inability to attend to his regular business was a voluntary act on his part and from his own determination hence the lodge is not under necessity to give him benefits. If he was wounded or hurt some way while a member in good standing and was unable to do his regular work to make a living and that was the only

way for recovery so he could do his work and earn a living then the lodge would be under necessity to pay sick benefits.

No. 80.

Q. When charges have been preferred against a brother and he is found not guilty and the accused after two or three meeting nights asks for the name of the accuser. Is the N. G. compelled to give the name of the accuser to the accused?

A. If I read the law aright, I would say NO. He must give the name of the accuser to the lodge when the lodge asks for the same but not the accused.

No. 81.

Q. Does the law compel us to retain a nurse hire fund?

A. Yes.

No. 82.

Q. Can we loan all or any part of the nurse hire fund?

A. The nudrse hire fund is a fund for special purpose and the authorities are to keep that fund to the best advantage for the purpose designated. If the fund is large I should rule that if in the judgment of those managing the fund deem it wise to loan some part of the fund they could do so just so long as it is loaned according to law and enough is on hand to meet emergencies that may arise.

The best way to reduce the nurse hire fund is to have a by-law that a certain per cent of receipts be put into a nurse hire fund till the fund is of a certain amount and no more put in till below that amount and then enough be taken from receipts of the lodge to run it up to that amount again.

Q. Can we turn the nurse hire fund into the general fund?

A. I do not so understand it. The best way to regulate the nurse hire fund is as is given in the above answer.

No. 83.

Statement: On June 5th, the regular meeting night of the Rebekah Lodge election was held. The Chaplain who had never served in an appointive office before and was serving an unexpired term was elected V. G. The N. G. declared that she was not eligible for the office and ordered a new election.

Q. Was she eligible to the office of V. G. and is she the V. G. elect? Was the ruling of the N. G. correct?

A. The lady was eligible. See Rebekah Code Art. 34, Sec. 4, where it says, "The appointed officers shall consist of Warden, Conductor, Chaplain, Outside Guardian." Here the third appointive office is Chaplain. On page 695 Busbee's Digest Sec. 11 we have again

the appointive offices and the last one named to be appointed by the N. G. is the Chaplain.

Again to be eligible to V. G. we find these requirements, Busbee page 695, Sec. 12, "To be eligible to the office of Vice Grand a member must have served a term in some elective or appointive office in a Rebekah lodge other than trustee." The same conclusion is found in Rebekah Code page 67, Sec. 3.

Again in regard to service in an unexpired term permit me to say that Busbee is very clear on that point, which you will find on page 722, par. 2543 and Sec. 2544. Again Rebekah Code page 69, Sec. 11, "Resignation forfeits, etc." Therefore the N. G. was not correct and the sister is entitled to installation.

No. 84.

Q. Can a lodge at the meeting night preceding the last meeting night in May or November or at any other previous meeting postpone the election from the last meeting night in May or November to the first meeting night in the following month?

A. Art. 5, Sec. 1 of Sub. Con. says "Officers—shall be—who shall be elected on the last meeting night in May and November of each year". The custom has been that when a lodge has been unable to meet on the last regular meeting night of the month then the election be held on the following meeting night. This robbed the lodge of the right to vote for Grand Officers and provision was recently made to cover this point. My ruling is that no lodge has any right to vote at a previous meeting not to hold election on any night other than those nights specified by the Constitution.

Q. If a quorum is present at the last meeting night in May or November, can the lodge proceed to hold the election regardless of what action the lodge may previously have taken toward postponing the election either for Grand Officers or for the Subordinate officers?

A. Any action that would amend the Sub. Con. is not in order by resolution by Subordinate Lodge and if any such action is taken it is illegal and it is the business for the members present, if a quorum, to obey the Constitution and elect both Grand and Subordinate officers.

Q. Is it incumbent upon the lodge, under the Constitution, to hold election of officers, the last meeting night in May and November, if a quorum is present and the same is not a legal holiday?

A. Yes.

Q. Can the lodge postpone the election for any other reason than that there is not a quorum present or that the meeting night in question is a legal holiday and if so for what reason?

A. I do not know of any other reasons.

No. 85.

Q. Can a Subordinate Lodge instruct its Sitting Past Grand to prefer charges against a member?

A. The lodge may direct its officers or officer to do any legal business. Then the action is representative and not presonal. See Sub. Con. page 161 par. 549.

No. 86.

Q. Can a Rebekah member withdraw or resign from the lodge without taking a withdrawal card as provided for a member of a Subordinate Lodge?

A. Yes.

No. 87.

Q. What is the proper place for the Bible in the lodge room?

A. On the Chaplains desk or pedestal.

No. 88.

Q. Have the trustees any right to the funds of the lodge until they have organized as provided by the constitution?

A. No. They first must be sworn in and then organize as stipulated and then they have charge of the funds of the lodge. If an old board is in, the old board holds over till the new board is qualified and organized.

Q. Have the trustees any right to invest the money by taking a time deposit certificate?

A. They have. This is not a loan, for it can be cancelled by surrendering all interest at any time. This interpretation will make the individual trustees personally responsible for the money or their bondsmen in their lieu. It is understood that the trustees have no fund unless this is provided for them and they hold all moneys in trust and it is paid upon demand of the lodge. They cannot loan any money except upon first mortgage.

No. 89.

Q. Is an oral application for reinstatement of suspended member legal?

A. No. See Busbee's Digest, page 293, par. 1047, "A brother cannot be reinstated at a special meeting nor without application, reference and report as in other cases." This reference is made directly to suspended members.

No. 90.

Q. Our lodge passed a resolution setting aside certain nights for the conferring of the initiation and the degrees. The next night there was a protest made by a brother who voted against the resolution and the resolution was ordered stricken from the minutes upon a motion of the lodge. Can this be done?

A. The minutes must contain all that was legally done at any lodge session. It was constitutional and legal to set aside certain nights for the conferring of degrees. The minutes of that night must contain what was done. Again it was legal to rescind the action by resolution or motion if enough desired to do so. A resolution is not a by-law and it can be rescinded at any meeting where legal business can be done.

No. 91.

Q. Can a N. G. change his decision after ballot has been destroyed and after the minutes have been approved?

A. No. Except by common consent it cannot be changed in the minutes to read that the error was made and by common consent was declared otherwise. The records must remain as to that date but the effect can be avoided by future correction.

No. 92.

Q. Has the acting N. G. a right to demand the brother who was acting N. G. two weeks previous to change his decision made while acting N. G.?

A. No.

No. 93.

Q. Can a ballot declared favorable and at the following meeting the decision approved by the lodge be declared unfavorable at a later meeting?

A. No.

No. 94.

Q. What number must be required to annul an election?

A. It requires a majority vote to annul an election.

No. 95.

Q. Does constitution provide for a reconsideration of a ballot taken on a candidate coming by card or certificate after two weeks had elapsed from time of the ballot?

A. Yes just so long as he has not been introduced and signed the constitution. See Con. page 38, Sec. 4 at the bottom of the page applies to this case.

No. 96.

Q. A brother of this lodge was in Kansas City and came in distress and asked for aid. We granted him the same and sent him $35.00 The other night he comes in person to the lodge and asks for assistance and a loan of $50.00. The motion was made and carried that we loan him $50.00 for six months. Can we do that kind of work?

A. The first amount sent him was legal. It was relief in time of distress I take it. The second is not legal as that was loaning money to individuals on individual security and lodges are not allowed to loan except on first mortgage real estate.

No. 97.

Q. Can a member who has been in arrears for three months' dues and pays up just before election night or on that night be entitled to vote for officers or hold office?

A. No. He has no right to vote or hold office till two months after he has paid up and has kept his dues less than 13 weeks in arrears. If he is behind six months' dues he cannot vote or hold office for six months afterwards and he keeps his dues less than 13 weeks in arrears. See Art. 13, Sec. 1 of Con.

BY-LAWS APPROVED.

The By-Laws of the following lodges have been approved. Nos. 605, 132, 206, 77, 564, 489, 266, 114, 608, 599, 316, 524, 606, 607, 52, 611, 2, 536, 159, 99, 294, 555, 497, 488, 109, 562, 460, 21, 19, 616, 191, 119, 303, 610, 168, 299, 17, 148, 89, 618, 328, and 133.

DEDICATION OF HALLS.

This year has been only moderate in the dedication of halls to the use and purposes of Odd Fellowship. P. G. M. Hershberger and P. G. M. Colaw have both rendered valuable service in this line. At the first I desire to express my appreciation of the services rendered by these two brothers in their labors. The following dedications have been reported to me.

On February 20th, 1908, the beautiful new hall, at Meade, Kansas, was dedicated by P. G. M. Hershberger. In his report to me he sends the following:

"In pursuance of the commission dated February 1st, 1908, I proceeded to Meade, Kansas, and on February 20th, dedicated the new Odd Fellows' Hall at that place. I was assisted by Lieut. Col. O. R. Stevens, Department Commander Patriarchs Militant, and members of Meade Lodge No. 523. The work was impressively rendered—no book being in use at any time during the ceremony. The lodge is the owner of a fine hall, a credit to the town, and a monument to the Order in that place. For real enthusiasm, Meade Lodge outclasses all, without any possible exception. The membership numbers 84; the encampment membership is 37; and 32 are members of Meade Canton No. 8. At night, a five course banquet was served in Phelps' Opera House to about 175 at $1.00 a plate. Capt. J. D. Wehrle acting as toastmaster; short addresses were given by P. G.

M., A. W. Hershberger, Sister Hattie Luse, President Rebekah Assembly, and Lieut. Col. Stevens; in addition to the above, an extraordinary fine musical treat was enjoyed by all. I predict for Meade Lodge a large increase of membership during the present year."

On November 6th, 1907, the new hall built during the administration of Bro. Hershberger at Smith Center, Kansas, was dedicated by P. G. M. Hershberger and in his report he says:

"In accordance with your commission dated Oct. 19th, 1907, I proceeded to Smith Center, Kansas, and on Nov. 6th I dedicated the new hall built by the push and energy of Vesta Lodge No. 153, I. O. O. F. The day was an ideal one, being warm and pleasant. I was assisted in the work of dedication by members of Vesta Lodge, and all moved along smoothly and satisfactorily to the great edification of the members present. Quite a number of brothers were present from Phillipsburg, Lebanon, Portis, Athol, Kensington and other points, making the occasion a most pleasant one. Vesta Lodge is now the owner of a beautiful hall most admirably situated and arranged so that the members may have the most comfort and satisfaction when attending the lodge meetings. A lodge room 40x40, with reception room and banquet room etc., makes it agreeably adapted for lodge work. The membership now is above the 200 mark, with the brightest of prospect for a large increase during the year.

"After the dedication, Bro. J. I. Saunders, P. G. M., entertained the 500 or more present with one of his masterful orations on Odd Fellowship which received words of commendation on all sides. I predict for Vesta Lodge No. 153 a great future."

On June 3rd, 1908, the new hall and lodge home of Lakin Lodge No. 521 was dedicated by P. G. M. Colaw. In his report to me he says: "In accordance with your commission bearing the date of May 29th, 1908, I proceeded to Lakin, Kansas, and upon June 3rd, 1908, dedicated the new hall to the usages and purposes of Odd Fellowship. I was assisted by members of Lakin Lodge No. 521 who rendered valuable services. It was a delightful occasion and the lodge was truly the embodiment of the true spirit of Odd Fellowship. I predict a great future to this lodge out in the great western part of this jurisdiction. The lodge deserves special commendation for their zeal, perseverance and farsightedness in the construction of such a beautiful home and meeting place." It was my privilege to hear of this intensely alive and active lodge from neighboring lodges and I rejoice greatly over their victory.

On February 15th, 1908, upon invitation from the brothers of Toronto, Kansas, I went to Toronto and dedicated their splendid hall there. This hall is one of the best I have seen in towns the size of Toronto and the paying for as well as erecting of this splendid hall

is a constant witness of the integrity, wisdom and zeal of this energetic lodge. Toronto Lodge No. 207 has a very pleasant and attractive home. The members have a right to be proud of this temple. I was ably assisted by brothers of Tronoto Lodge and to them I desire to express my deep appreciation of their courtesy.

On April 3rd, 1908 upon urgent invitation from the members of Franklin Lodge No. 469, situated at West Mineral, Kansas, I went to West Mineral and dedicated to the purposes of Odd Fellowship their comfortable lodge home. I was ably assisted by P. G. M. Geo. W. Brown and brothers of Franklin Lodge and neighboring lodges. Bro. Brown is a master hand in assisting in such ceremonies. We were royally entertained and during the evening a very sumptuously prepared banquet was served. Speeches were made by Bro. Brown and the Grand Master as well as comments from others. I can see nothing but a very bright future for this wide-awake lodge in a very active community.

I am quite sure other dedications have taken place but there have not been any other reports sent to this office and hence no mention is made of them.

THE DeBOISSIERE CASE.

This long drawn out case remains now in about the same position as it did one year ago, the case then pending in the Supreme Court was decided against the Grand Lodge but immediately afterward a Petition for Rehearing was made to the Supreme Court by Waggener, Doster and Orr, Attorneys for the Grand Lodge and the case will probably be decided soon.

The case of Troutman and Stone against the Grand Lodge remains the same as reported at the last session.

THE HOME.

There were several very important acts of legislation passed during the last session of the Grand Lodge. It is not necessary for me to mention them and the great part they have taken in the last year's policy to make the year's history what it has been. Sufficient will it be for me to say that one of these acts was the election of two brothers by the Grand Lodge to be on the Board of Trustees of the Rebekah Odd Fellows Home. This has been misunderstood and misinterpreted by some in the Order. Some have thought by that act that the Grand Lodge had a legal claim on the Home and that the Grand Lodge was under obligations to maintain the Home and to see that the Home has a magnificent record. Many suggestions have come in to this office. We know that the act above referred to has not changed the legal title or ownership of the Home neither has the responsibility for maintenance been shifted from the former place to the Grand Lodge.

In the first place I desire to say that the title is now where it has been for these years since the purchase of the property, in the Rebekah State Assembly, and also the responsibility for maintaining the Home is in the same place. The request from the Rebekah State Assembly to the Grand Lodge that the Grand Lodge should select two brothers to be on the Home Board was complied with, and it was an act of courtesy on the part of the Grand Lodge, but it did not in any way change either feature above mentioned.

In the second place the selection made by the Grand Lodge was ideal. Brothers Allaman and Saunders are to my mind practically fitted for this great task. One of the two is a physician of state reputation and acknowledged skill and the other is one of our live wide-awake business men who understands when he faces great problems. It is with great pleasure that I have seen this work intrusted to these two capable men. As for their selection by the Grand Lodge it showed the wisdom of that great body. They could have been selected by the Rebekah Assembly as well, as both are members of that body.

The fact that the Grand Lodge has donated for the maintaining of the Home has not taken a vestage of power or right from the Assembly. The Grand Lodge has been most generous and it is with pride that we see our record on this line. It was the purpose of the Grand Master at the beginning of the year to visit this Home and attend the Board Meetings and upon invitation to do so he had tried to plan his work for that purpose, but he was not able to do so. Later in the year he was not disposed to do so for there were two brothers who were selected to represent the Grand Lodge on that Board who had full power while the Grand Master did not have any vote or voice in the deliberations save advisory, and it seemed to him that it would not be right for him to squander the Grand Lodge money or any money in attendance upon the Board Meeting when no practical benefit could have been gained thereby. It has been the aim of the present Grand Master to see that every possible encouragement was given those on the Home Board to make a perfect year's record. Whenever the call has come for help it has been responded to in what we considered to be the only legal way. Beyond that we could not go. It was with great pleasure that we granted the Appeal for Aid for the Home and it is with gratitude to God that so gracious and liberal response is now recorded for more than was asked for was joyfully given.

I have some recommendations to make in matters pertaining to the Home. There is not a clear understanding as to the relation *The Home* holds to the several branches of Odd Fellowship. This has created no little dispute and dissatisfaction. Therefore, first, I recommend that a clear distinct line be drawn as to the relation this

institution shall hold to the various branches of our Order. There should be no uncertainty whatsoever. There will never be a settling of this unrest till this is done. Let it be done this year. Either let the Rebekah State Assembly have full sway and be responsible for the maintenance of the Home, when donations are made let same be made to the Assembly for the Home and when an Appeal is desired let it come from the Assembly. Much as it is now. Or if there is to be a change of title or ownership and responsibility for maintenance let that be clearly set forth. Then, second, I recommend that the Grand Master be released from all responsibility or semblance of responsibility in reference to the Home, having not even an advisory relation to the Board, or if title should be changed then give him equal right and voice and power with other members of the Board. This will give him a relationship that will most certainly remove all misunderstanding and put him where he may protect himself and his administration.

Let me say we should maintain one of the best Homes in the Order and it can be done when the matter is clearly, carefully and conclusively settled and harmony established among the various members of the various branches as to this matter.

In conclusion I desire to commend the loyalty and fidelity of our representatives on the Board. They have done good work and deserve this commendation. They have had both the Order at large, the Grand Lodge and the Home at heart and they have tried to bring to you this year an institution far in advance of what it was a year ago.

EARTH'S FAREWELLS.

How the year has rung with Earth's Farewells! These twelve months have not been without their sadness. We have not had all sunshine. The clouds have hidden quite often the smile of the Sun and we have been in the gloom. The shadows have closed in upon some of us as the mountains at the gathering of the darkness when the Sun is sinking in the West. The funeral dirge has been sung over more than one silent form and beside more than one new made grave. Lonely hearts have gone back to the home ever more to tread the path of life with the feeling that the sky is dark, the path uninviting and without any joy and gladsomeness. God bless these lonely brothers, sisters, sons and daughters. We cannot give them the comfort we would for it is beyond our ability and power. But what a comfort we have in the "Faith of Our Fathers." Gloomy would be our lives indeed if we did not have hope. The leaves may fall and be scattered on the ground but Spring will come and earth and Sky will vie with each other to bring back the leaves, the grass and the roses, so the Spring of Immortality will come and once more

man will enjoy the blessed fellowship of the sainted dead in realms where separation is unknown. This hope alone gives a beautiful coloring to the leaden sky of man's experiences of sorrow and separation. Blessed is the hope we have of reunited families on the shores of Eternity.

We are thankful to Almighty God that the ranks of the Grand Officers have not been invaded. The splendid company of Past Grand Masters has been likewise spared during the year. For this we are also thankful. Our Grand Encampment has not fared so well. One Past Grand Patriarch, S. H. Kelsey, has passed away and Senior Grand Warden A. C. Race was taken. What other ravages have been made we know not but we do know that He who sits on high will look after the widows and orphans and tnat through ministrations of mercy by human hands He will bless humanity and care for the needy. We pray God that He may spare all who are to come to this Grand Lodge session and assist in the great work of benevolence and charity. The Comimttee on Necrology will prepare suitable resolutions in memory of our beloved and honored dead.

THE WESTERN ODD FELLOW.

It has been the established law throughout human society that we cannot have an intelligent civilization or constituency without we have a reading public. The more people read the right kind of literature the greater the people. We must be a studious people if we are to lead the age in any way. No organization or institution whether political, partisan, sectarian, educational or fraternal can be the foremost without a well regulated and carefully edited publication. The facts and needs concerning the institution must be disseminated among its adherents and the happenings of the same must be the common inheritance of all its children. It is with great pleasure that I speak of the excellent publication the Kansas Odd Fellows have been having for these year passed. "The Western Odd Fellow" certainly has done much toward making our Order take her rightful place in the state and among kindred organizations in the world. This paper has voiced the opinions of the advanced thought of the Order, and, likewise has not been silent against the wrongs that have so often tried to undermine our fortifications. This paper has held its columns open for all legitimate discussions and has put in the lime-light both virtue and vice and thus enabled the Order to protect the former and advance it to its proper place and to oppose the latter and relegate it to the refuse heap where it has found its consuming fires. For these things I desire to give my commendation most heartily.

The Editor's ability to gather news and tell of the lodge happen-

ings is certainly marvelous. The grasp of the field of occupancy of the Order in the wide world is unparalleled. The summing up of legislation in both the Sovereign Grand Lodge and the Grand Lodge is most gratifying indeed. In short it is a paper deserving of the patronage of every Odd Fellow and I most heartily recommend it to both lodges and individuals. Take it, brothers, and read it. For here you will find out both as to the workings of the Order in your own state and also throughout the whole world. You will never know what is happening in Odd Fellowship unless you keep posted as to the Order in its general and local bearing. "The Western Odd Fellow" is your Kansas paper and no other publication will give you what you need in the right proportions and so well as this one.

THE GRAND OFFICERS.

It is with great pleasure that I record the excellent spirit of harmony between the Grand Officers. They have labored in perfect cooperation in advancing Odd Fellowship throughout the state. In fact much greater fellowship has existed between these officers than was hitherto imagined. In all counsel in reference to Grand Lodge matters there has been perfect unanimity. We have been brothers indeed.

The very best feeling has existed between the various branches of this great Order. I desire to express my thanks to the various Grand Officers of the Grand Encampment and the Rebekah State Assembly as well as of the Grand Lodge for their courteous and kindly treatment. The counsel I have received from these has been very helpful and encouraging. These friends have been filled with the true spirit of fraternalism.

No one deserves more gratitude than our own genial Grand Secretary, Will J. Russell, for his unselfish efforts in making the work of the Grand Master less arduous and speedy of dispatch. He has ever been ready not only with counsel and advice but he has also assisted in many ways. In my own way I desire to commend him to you as a splendid brother in an important place which he is filling in an excellent way. I can wish for nothing better for my successors than that this same good fellowship and helpfulness shall continue through the years to come.

IN CONCLUSION.

The year is almost passed. What has been written on the pages of these months has been written. It cannot be changed. While the year has been a very busy one for me it has been one of the most inspiring years of my life. Tasks, though heavy, have been

unusually pleasant. I would be untrue to myself to say all of the tasks have been pleasant for I have been compelled to do somethings officially that I would rather have left for other hands. I have been forced to decide against some of my friends but the law of the Order must be obeyed.

Before closing this, my report, permit me to again express my appreciation and deep gratitude to the members of the Order for the honor they have given me in placing me in this very desirable office. Let me hope that my official acts will be considered by you with great charity and that they will meet your unlimited approval.

Hoping to meet many of you at the session of our Grand Lodge at Salina and believing that we will have a harmonious and profitable session, I submit for your inspection and approval the foregoing annual report in Friendship, Love and Truth.

Yours Fraternally,

B. M. Powell

APPEALS FOR AID.

During the past year there have been four appeals for aid sent out from lodges and one sent out for the Rebekah I. O. O. F. Home.

In August, 1907, an appeal was sent out for Melvern Lodge No. 208, but on account of its having been sent out just before the Grand Lodge Session a full report of the receipts could not be published in the last Grand Lodge Journal, and you will find the report in this one.

Responses to the above appeal have been quite liberal, which demonstrates that the lodges are living up to the principles of our noble Order by relieving the distressed. A great many of the secretaries saying we contribute this amount and if

not enough is raised ask us for more, thus carrying out the lesson taught by the Good Samaritan, "Take this money and provide for him, and whatsoever thou spendest more I will repay thee."

REPORT OF AMOUNT RECEIVED FROM THE SEVERAL APPEALS.

Received from the appeal for aid sent out for Melvern Lodge No. 208:

Total Contributions	$784 52

Net Contributions	$775 00

The above amount was sent to W. O. Stephens, Secretary of Melvern Lodge No. 208, and I hold his receipt for same.

The above amount was sent to W. A. McKee, Secretary of Hallowell Lodge No. 205, and I hold his receipt for same.

WILLIS LODGE NO. 515.

Total Contributions	$545 60

Net Contributions	$536 20

The above amount was sent to Charles Baxter, Secretary of Willis Lodge No. 515, and I hold his receipt for same.

DOVER LODGE NO. 490.

Total Contributions	$769 00
Expenses	9 40
Net Contributions	$759 60

The above amount was sent to W. H. Berryman, Secretary of Dover Dodge No. 490, and I have his receipt for same. In addition to the above, several lodges sent their contributions direct to the lodge as follows: Winfield Lodge No. 101, $2.00, Auburn Lodge No. 556, $5.00, DeSoto Lodge, No. 580, $5.00.

FOWLER LODGE NO. 519.

This appeal was sent out for the relief of Brother Slaybaugh of Fowler Lodge, and it was thought by the Grand Master that $300 would be sufficient to meet the demands, accordingly I sent Grant Taylor, Secretary of Fowler Lodge No. 519, $300: shortly afterwards I received a letter from Brother Taylor returning $177.50 of this amount, stating that after paying the expenses of Brother Slaybaugh, this amount was left and they returned it so that it might be given to some other needy brother.

HONORABLE VETERAN JEWELS.

Under instructions from the Grand Lodge, Honorable Veteran Jewels were procured and sent to the following brothers, who, for more than fifty years, have been faithful members of our Order: John Martin, P. G. M. of Shawnee Lodge No. 1, Topeka; S. Hastings, Leavenworth Lodge No. 2, Leavenworth; J. B. Stumph, of Baldwin City Lodge No. 31, of Baldwin; Wm. M. Oaks, of Holton Lodge No. 34, of Holton; B. F. DeVore, of Inde-

pendence Lodge No. 69, Independence; and Jacob H. Smies, of Clay Lodge No. 115, Clay Center.

In addition to the above, Honorable Veteran Jewels were procured and sent to the following brothers, they having sent in certificates showing continuous and faithful membership in the Order for fifty years: George A. Schreiner, of Summunduwot Lodge No. 3, Kansas City; Wm. H. Beck, of Corona Lodge No. 137, Dodge City; and M. Drumm, of Cedarvale Lodge No. 151, Cedarvale. Several other applications were received, but on account of irregularities could not be allowed.

VETERAN JEWELS.

At the last session of the Grand Lodge, the Grand Secretary was (by resolution of W. L. Brown, P. G. M., found on page 141 G. L. Journal, 1907) instructed to furnish Brother J. W. Laybourn, of Osage City Lodge No. 82, with a Veteran Jewel. Not knowing whether Brother Laybourn was entitled to a twenty-five or fifty-year Jewel, I wrote to Isaiah Jones, Secretary of Osage City Lodge, for a statement of his membership. Brother Jones informed me that Brother Laybourn had been dropped for N. P. D. in 1877, and had been re-instated in 1885. I examined the records of Osage Lodge, on file at this office, and found the statement of Brother Jones correct; consequently I did not think, under the law, that Brother Laybourn was entitled to a Jewel, and so informed him.

Certificate having been sent to this office showing the following brothers had held twenty-five years continuous membership in the Order, they were sent Veteran Jewels.

Duplicate Charters were issued to lodges Nos. 255 and 452.

DELINQUENT LODGES.

At the close of the Grand Lodge year, Aug. 31, there were fourteen lodges that had not sent in their report or per capita tax; but I am glad to say that at the time of making this report that this number has been greatly reduced. Menlo Lodge sent in their per capita tax, but no report. The following lodges have neither sent in reports nor per capita tax: Narka Lodge No 386, Nucleus Lodge No. 398, Raymond Lodge No. 405, Cunningham Lodge No. 431. A large per cent. of the lodges are very prompt in sending in their reports, while the remainder keep putting it off until the last minute and have to be written to several times before sending them in. I wish that the brothers could realize how much they retard the work of the Grand Secretary, I am sure they would try and be more prompt.

Forty lodges have neither gained nor lost during the year; one hundred and sixty-three lodges show a net loss of from one to twenty-six members.

CORRESPONDENCE.

One of the most pleasant features of this office, is correspondence with the brothers; and while the correspondence increases as the Order grows larger, I am cheered by the kind words of encouragement given me in the letters I receive. I try to be prompt in answering communications, and give such help as I can. I would be glad if more of the brothers would write to me, for that is the best way to keep in touch with each other.

VISITATIONS.

I have made few visits during the year, for the reason that my whole time is taken up with the duties of this office, but where I have had the privilege of visiting, I have had a good time.

SUGGESTIONS.

The Grand Secretary is in a position to know the needs of the Subordinate Lodges probably more than any other Grand Officer, and I realize every week that some provision should be made whereby some of our weak lodges could be visited and encouraged; the lodges who need the visitation of the Grand Officer most never has one for the reason that they are unable to pay

the expense of such a visit, and no appropriation is made by the Grand Lodge to cover it. I am of the opinion that something along the line as suggested or recommended by P. G. M. John I. Saunders (in his report to the Grand Lodge in 1906) would be a good thing and would prove a good investment.

NEW RITUALS.

I commenced to exchange the Rituals the first of June so as to enable the lodges to familiarize themselves with the new work, most of the lodges made the exchange at once, but a few have not yet done so.

Lodges generally like the new work, and I believe that after they become more acquainted with it interest in lodge work will increase.

WESTERN ODD FELLOW.

The "Western Odd Fellow" being the official paper of this Jurisdiction, it should receive the hearty co-operation of the entire membership.

The success or failure of this paper rests largely with the individual support given it, and in order to perpetuate and have it retain its present high standing among the other fraternal papers of our Order, we must encourage it with our subscriptions and contribute lodge news for its publications.

CONCLUSION.

It hardly seems possible that a year has passed since I made out my first report. The work, which at times has been arduous, has been pleasant. I feel that I have had the hearty co-operation and assistance of all the members, for which I am under great obligations.

To the secretaries of the lodges I am under obligations for their kind and courteous treatment at all times.

My relations with the Grand Master and other Grand Officers have been most pleasant, and we have labored together for the success of the Order.

The Order in this state has had a phenomenal growth, having more than doubled its membership in ten years, and during the last two years we have gained 5,556 members. This means more work for this office and greater responsibilities and possibly some mistakes.

For my shortcomings I ask your kind indulgence, and promise to work more earnestly for the Order which has so honored me by elevating me to this position, and I trust that I may so conduct the affairs of this office as to retain the good will of the brethren for several years.

Trusting that this session will be a pleasant and profitable one to all, and thanking the brothers one and all for honors conferred

I am Fraternally yours,

Wm J. Russell

Rebekah I. O. O. F. Home Board's Report.

September 1, 1908.

To the Officers and Members of the Jurisdiction of Kansas:

BROTHERS:— We wish to submit the following abbreviated report at this time. Our complete itemized report is in the hands of the Secretary of the Assembly, and should be ready for distribution by the time you receive this. Everything at the Home has progressed nicely this year. August 1 Bro. Austin, the Superintendent, resigned, and Brother E. R. Piersol was employed. Our crops are good considering the wet season. We planted a large orchard, which is doing well; our corn is an average; the wheat was good; we have an abundance of good hay, garden sufficient for the needs of the Home. We sowed 22 acres of alfalfa this week and if it does well will have an abundance of pasture and hay land next year.

Two old brothers died during this year, one sister lost her mind and we were compelled to send her to the Insane Hospital, one other sister and one brother are mentally very weak and we fear will entirely lose their minds. Our school was a success, the children advanced rapidly in their studies. The appeal sent out recently to the lodges and the Rebekah Home Day produced more money than we asked for, for which we are truly grateful. We are out of debt. except $500 advanced more than one year ago by the Assembly, and have sufficient money to pay for coal for the coming year (which we have in) and support the Institution until the Grand Lodge, so we can start in at that time with a clean slate.

We have admitted during the year, three (3) brothers, three (3) sisters and seven (7) children. We have lost by death two (2) brothers, and three (3) brothers have voluntarily left the Home. One sister was removed as before stated, and one was taken away by a daughter. We now have in the Institution thirteen (13) brothers, seven (7) sisters, eight (8) boys, fifteen [15] girls, in all 43. We are now employing in the house, on the farm and in machinery rooms, nine people including the Superintendent, making a family of fifty-two. There are six or eight applications that have been acted upon. These will enter the Home probably before Grand Lodge.

Remember that this year we have built a boiler house, solid stone and brick arch, at a cost of about $1,100; done considerable other repairs and improvements; paid $1,000 to Rebekah Assembly Treasury that was borrowed; paid up all back debts, and go to the Grand Lodge out of debt.

We, as a Board, recommend the following to be passed by both the Grand Lodge and Assembly at this session, as we believe it to be for the best interest of Odd Fellowship in Kansas:

May peace and harmony, Friendship, Love and Truth guide us in all our acts relative to this Institution this fall.

RECOMMENDATIONS.

1. That: A joint deed be made to the Grand Lodge and Assembly of all property now owned and used or hereafter acquired for Home purposes.

2. That: The Board of Trustees consist of three members from the Grand Lodge and three members from the Assembly to be elected as the several bodies see fit on the expiration of the terms of office of those now serving.

3. That: The per capita tax of each body be made sufficient each year so that 20 cents on each member, 10 cents in January and 10 cents in July, be set aside for the maintenance of the Home, to be drawn on and used by the Board as demands require.

4. That: The Board elect at their first meeting each year one member as President, one as Vice President, one as Secretary and one as Treasurer, to serve for the year, and that the Secretary be bonded in the sum of $5,000, and the Treasurer in the sum of $10,000, the same to be a surety bond and paid for out of the funds of the Home. That all moneys be kept in some bank selected by the Board and warrants drawn on order of Board be drawn by the Secretary and attested by the President of the Board.

5. That: Four members constitute a quorum, and a less number present at a meeting cannot vote money out of the Treasury

Proposed Amendments to Subordinate Lodge Constitution.

G. W. Allaman of Friendship Lodge No. 5 offers the following amendment to the Subordinate Lodge constitution:

Resolved, that Sec. 22 be added to Art. XIV of the Subordinate constitution as follows:—

Section 22. No lodge shall be compelled to pay weekly sick benefits to a brother while in the Home, but it shall keep him in good standing on the books of the lodge; if, however, a brother pays his lodge dues and pays his board while in the Home, this section shall not apply. If the brother requires a nurse while in the Home, the lodge shall pay not more than one dollar and fifty cents per day for such nurse.

Will J. Russell of No. 3 offers the follwing amendment to the Subordinate Lodge constitution:

Resolved, that section 6 of Art. X be repealed and the following substituted:—

Section 6. A brother of the Order holding an unexpired withdrawal card, may be admitted to membership in a Subordinate lodge by sending in a petition and his card to a lodge at a regular meeting, which petition shall be in similar form and be disposed of in all respects as provided for in case of petition for membership by initiation. The petition and card must be accompanied by the fee for membership in such cases according to age, which shall be fixed by the by-laws of the lodge; provided that a lodge may adopt a by-law stipulating that no fee shall be charged for membership on card in date. And, provided further, that it shall require not less than three black balls to reject the applicant. If the applicant be rejected, the lodge has no right to mutilate his card by making any endorsement thereon.

Grand Master's Supplemental Report.

Officers and Brothers:—

I hereby submit to you a report of the business that has been transacted from this office since making out my Annual Report, and trust that all may receive your full approval.

REBEKAH LODGES INSTITUTED.

DEARING REBEKAH LODGE, No. 523:—This lodge was instituted at Dearing, Montgomery county, Kansas, on the 2d day of October, 1908, by T. C. Frazier, Special Deputy President, assisted by Sisters Sophie Lee, Clara E. Hicks, Martha A. Luken, Maud McCully, Nana V. Reddick, Lillie McLees, of Coffeyville Rebekah Lodge, No. 253, and about fifty brothers and sisters from other lodges, with 27 members.

LIBERAL REBEKAH LODGE, No. 522:—This lodge was instituted at Liberal Kansas, on September 23, by C. H. Ellis, P. G. M. as Deputy President, with 38 members.

BY-LAWS APPROVED.

DISPENSATIONS.

To Elect V. G. from the Floor.— No. 142.

To Elect N. G. from the Floor.—No. 53.

To Confer the First, Second and Third Degrees the Same Night to No. 611.

DECISIONS.

No. 98.

Question. A brother was elected regularly to membership in the order, appeared for initiation. Two brothers insisted upon the brother furnishing a doctor's certificate, and a motion was made to that effect and carried. The By Laws do not have any

clause requiring a doctor's certificate. Can the lodge require a doctor's certificate from one and not from another candidate?

Answer. No. All must be treated alike.

No. 99.

Q. Have we a right to give a picnic for the good of the Order?

A. Yes; and it is an excellent thing to do.

Q. Can we make motions, appoint committees and hear reports of the same in open lodge hall concerning an I. O. O. F. picnic?

A. Yes.

Q. Can we appropriate money out of the General Fund for picnic purposes.

A. No.

No. 100.

Q. Can we receive moneys from a standing committee through the Secretary and Treasurer and put same in General Fund?

A. Yes, indeed; but when the money is in the General Fund it must be used as law requires.

Q. Can we receive such money and set it apart for a special fund?

A. Yes; and it can be set aside for any legitimate purpose such as suppers and picnics.

No. 101.

Q. Can a woman hold her membership in a Rebekah Lodge and hold the office of N. G. to which she has been elected, after she has deserted and left her husband and family without cause?

A. Yes, till she is regularly tried and expelled. No woman who has deserted her husband and children without cause has any right to be in the Order but she must be regularly tried and expelled before she is deprived of her membership and office.

No. 102.

Q. Can a Rebekah Lodge vote funds out of the treasury as a donation to a church?

A. No. See Busbee, paragraph 2515.

No. 103.

Statement: A brother in our lodge was taken sick and without notifying our lodge went to a hospital. We paid him his sick benefits but he thinks he should have nurse hire for the time he was in the hospital.

Q. Is it our duty to pay this nurse hire or is it legal?

A. No. You should not pay this nurse hire. When a brother takes himself to a hospital without notice to his lodge or their

consent he has removed himself from their obligation to him as far as nursing is concerned. He virtually says to them "I do not desire your services any longer, hence I am going where I can have better care than you can give." Nurse hire is not intended as an additional sick benefit, and when nurse hire was placed as a possibility, it was to care for those whose wives or kinfolks must have help and supplement their services, and not take the place of their services. When you place nurse hire on the same footing as Sick Benefits you have made it an additional sick benefit which is unconstitutional. There are times when the individual in the hospital does not need the care of attendants and to pay for nurse hire for such a time you have made the nurse hire not a hire but a benefit.

APPEALS.

H. H. Marvel vs. Niles Lodge No. 360.

This is a case where charges were preferred against Brother H. H. Marvel, for action unbecoming an Odd Fellow, being drunk and being an habitual drunkard, to which he pleads guilty. The Lodge expels him from membership. He appeals to the Grand Master on the ground that there are others fully as bad as himself, and that no charges have been preferred against them. This is no ground for appeal; therefore, the appeal is dismissed and the decision of the Lodge sustained.

Jere Baker vs, Caney Lodge No. 323.

This is a case in which the plaintiff appeals directly, as soon as he heard from the decision of the Lodge, to the Grand Master concerning sick benefits. He sent due notice to the Lodge through brothers, of his sickness, and he was reported; but members of the relief committee did not deem him sick enough to be put on the sick list. This state of things continued for months, and he sent in his bill for sick benefits and the bill was not allowed. He appeals to the Grand Master.

After much correspondence, the evidences in the case were secured. The Lodge insisted upon a visit from the Grand Master and claimed that there was no appeal before him. The Grand Master admitted the appeal. The Lodge refused to abide by his decision unless it was in their favor, but insisted upon a visit. The Grand Master visited the city on Tuesday, August 18, and, though it was not lodge night, what was considered and declared to be the bone and sinew of the lodge was present. After much discussion, the Grand Master asked each one what he thought the relative health of Mr. Baker was now at that meeting, and what it was during this period of nearly a year—during the time

of the declared sickness (he was treated for locomotor ataxia by an osteopath) All save two declared that they believed that he was as well now as then, apparently the same. These two differed in that one said he was much better and the other that he was a little thinner. Then the Grand Master asked them to agree upon two or three disinterested and accredited physicians who were agreeable to both parties and have the brother examined and see whether he was really able to work or if he was sick, and make that the basis of decision. Two or three of the 14 or 16 present gave evidence that they were willing to do that. Then the Grand Master selected three local physicians, Dr. Bader, Dr. Blewett and Dr. Stevens—unknown to the Grand Master, but who were agreeable to both parties, and asked for certificates to be gotten from these before he rendered his decision. Two of the three gave a certificate, which they say "It is our opinion that he (Jere Baker) suffers now and has for a long time, from chronic Nephritis (Bright's Disease), that his nervous symptoms are due to chronic nephritis, and that he is not now, and has not been for a long time, able to do manual labor." Upon this evidence, therefore, I sustained the appeal of Jere Baker against Caney Lodge number 323, and ordered Caney Lodge to pay to Jere Baker 20 weeks sick benefits, and that this is all his claim up to May 11, 1908. In this decision eliminating every hour of possible dispute concerning any labor done. Notice has been duly received that Caney Lodge appeals from the decison of the Grand Master to the Grand Lodge. The papers are in the hands of the Chairman of the Grievance and Appeal Committee.

F. E. Jordon vs. Shawnee Lodge No. 1.

This is an appeal from the decision of Shawnee Lodge No. 1 in reference to sick benefits claimed to be due Brother F. E. Jordon. As the appeal is made directly to the Grand Lodge, the matter is sent to the Chairman of Grievance and Appeals, Bro. J. J. Roll.

A. C. T. Geiger vs. Oberlin Lodge No. 159.

This is an appeal from the action of Oberlin Lodge No. 159 in not receiving or accepting moneys tendered the Lodge by A. C. T. Geiger to put him in good standing, claiming that he was dropped irregularly from the roll of membership. This appeal is made to the Grand Lodge, hence, all matters are placed in the hands of J. J. Roll, chairman of the proper committee.

CONCLUSION.

I now am at the close of my year's work. It remains only to review the work and to pass our judgments upon the same. I shall miss the many greetings that have been mine for the last twelve months. The epistolary fellowship is not to be despised and certainly that has been an absorbing joy to me for the year. I am sure that I shall find more time to pursue my other duties and delve in lines denied me for a brief year.

Let me bespeak a most hearty co-operation for the incoming Grand Officers for the next twelve months and a hearty welcome wherever they be met. This is what gives the Order such a charm in the world.

I thank you for the great honor that has been mine for the past year and I now bring the trust to you again, I believe, as spotless as when you gave it into my keeping. I trust that the years will not find either your zeal or my enthusiasm lessened for this great Order and for the priceless virtues Odd Fellowship stands for.

I am, sincerely yours,

B. M. Powell

Grand Master.

Grand Secretary's Supplemental Report.

TOPEKA, KANSAS, October 9, 1908.

Officers and Representatives:—

I hereby submit a short supplemental report of the transactions of this office since making out my Annual Report, and a few things which I overlooked, which I trust will meet your approval.

On page 61 of the Grand Officers' Reports, under the head of "Condition of the Order," the first clause should read:

Number of working lodges August 31, 1907		535
Number instituted during the year		15
Total		550
Consolidations during the year	3	
Surrendered Charter	1	4
Number of working lodges August 31, 1908		546

TAX PROBLEM.

During the past year I have received numerous letters regarding this problem, and I trust that the Grand Lodge will take some definite action regarding it at this session so that the lodge will know what to do.

I understand that several kindred organizations have decided to fight the proposition and have entered suit to prevent the taxation of lodge property.

In my correspondence with the lodge I have stated that I felt that the Grand Lodge should and would do something in the matter.

During the Special Session of the State Legislature last winter, several of your Grand Officers, in conjunction with Grand Officers of other organizations, endeavored to get some legislation passed which would relieve the lodges of this burden, but as you all know, they were unsuccessful.

BONDING OF LODGE OFFICERS.

While the bonding of lodge officers may seem to some to be of no particular consequence, it is to my mind of vital importance and should have the careful consideration of each member.

I have the propositions from two reliable companies who agree to furnish a blanket bond covering all Grand and Subordinate lodge officers which I would suggest be referred to a special committee of five for consideration with the request they report at this session.

SAN FRANCISCO FIRE.

When the appeal for aid was sent out for the relief of those who suffered on account of the great earthquake in San Francisco in 1906, three of the lodges in this jurisdiction, namely, Kaw Valley Lodge No. 315 of Kansas City, Wichita Lodge No. 93 and Queen City Lodge No. 296 of Wichita sent their donations direct to the relief committee at San Francisco. It was found however that a sufficient amount had been received by said committee so as to enable them to return a pro rata of 25 per cent of the amount donated, so about the first of May I received a check for $20.75 which was pro rated to the above named lodges.

DONATIONS TO THE HOME.

Donations to the appeal sent out for the Home have been received since making out my previous report as follows:

White Cloud Lodge No. 6.
Bancroft Lodge No. 510.
Fort Scott Lodge No. 22.
Auburn Lodge No. 556.
Lone Star Lodge No. 284.
Emporia Encampment No. 17.
Woodsdale Lodge No. 334.
Cawker City Encampment No. 139

DELINQUENT LODGES.

I am pleased to announce that the Semi-Annual Report has been received from Menlo Lodge No. 551, and report and per capita tax from Cunningham Lodge No. 431; this leaves only three lodges who have not reported.

VETERAN JEWELS

At the recent session of the Sovereign Grand Lodge a resolution was adopted that after January 1st, 1909, Veteran Jewels will be supplied in one quality only and that quality be of eight or ten carat gold and that the price be at or near $10.00.

It has been the custom of the Kansas Grand Lodge to furnish Veteran Jewels to brothers of this Jurisdiction without cost, the jewels furnished being of the plated quality and costing only $3.50 each.

I have eighty of these jewels on hand and I would like to have an expression from this Grand Lodge as to what to do when this supply is exhausted.

SUPPLIES.

I would suggest that in as much as the cost of some of the supplies sold by the Grand Lodge has been greatly reduced that the Finance Committee prepare a new price list and that same be printed and sent to each lodge.

Fraternally submitted,

Will J. Russell
Grand Secy

Grand Representative's Report.

To the Grand Lodge I. O. O. F. of Kansas:

In submitting our report of the doings of the Sovereign Grand lodge we desire to be brief, 1st, because you haven't time to listen 2nd, because we haven't time to prepare an extensive report. The session was held in the El Jebel Temple in Denver, Colo., commencing Sept. 21st, and continuing five days. Denver the much advertised and boasted Queen City of the plains possesses probably the finest, most modern and best equipped Auditorium in the world, here the introductory exercises were held. Governor Buchtel and Mayor Speer both of whom were introduced as Odd Fellows and good fellows spoke in glowing terms of the turquoise skies and good things of Colorado, while Grand Sire Conway answered with appropriate remarks.

LEGISLATION.

Probably the most important legislation passed by this session was the change in the Encampment Ritual. Past Grand Sire Pinkerton as Chairman of the committee who revised the Subordinate Ritual last year which was received almost unanimously by the Sovereign Grand Lodge was Chairman, of this committee and did the work. However the revision of the Encampment Ritual received much opposition, in fact the Kansas delegation did not vote for the new Ritual. While it may be better in some respects we think they have weakened rather than strengthened the work and therefore could not approve of the change, but as the majority rules the Ritual was adopted and the change will be made by January 1st, 1909, and all Rituals must be exchanged by March 1st of the same year. It has been arranged as in Subordinate Rituals that they be exchanged Ritual for Ritual up to the number of six (6) in each Subordinate Encampment.

A law was also passed whereby a member might take all Encampment degrees in an Encampment other than their own and become a full fledged member after signing the constitution of his own lodge. A committee was appointed to report at the next meeting on the revision of the Rebekah Ritual. The committee was instructed that no radical changes should be made, that is no changes in the lectures, charges and form of work, merely a revision of the ceremonies of installation and other ceremonies bringing them down to date and present customs, so we do not look for much change in the Rebekah Ritual. A resolution creating a sign and password for Rebekah

District meetings was defeated. A new memorial service for Rebekahs was adopted.

The proposition for a National Assembly of the Rebekahs was killed, in fact it does not look as though the Rebekahs will be successful in getting a National Assembly for some time to come.

The Sovereign Constitution was revised and adopted. The old question to change the name of the Sovereign Grand Lodge and its officers to "Sovereign" striking out "Grand" was again before the Body but was defeated. The question of the change Age Limit for Subordinate members from 21 to 18 was again before the Body and was again defeated, however we believe in this proposition. We believe it is right and the majority of the Sovereign Grand Lodge believe it is right, but not a large enough majority to have it carried, but it is probable that in a few years this will be passed by the Body, Many of the leading members are favorable to the proposition.

One of the foreign Jurisdictions "Australia" was represented by Past Grand Sire Clark, a very prominent and worthy man and it was arranged that in future compensation should be made for foreign representatives and they should pay a tax into the Sovereign body. Past Grand Sire Clark desires to organize both Subordinate Lodges and Encampments throughout the entire Kingdom of Great Britain. He tells us that there is a membership in Australia of something more than 40,000.

He took all the side degrees and advanced degrees possible while in Denver and is going home fully equipped to introduce them in his territory.

Another proposition was brought out whereby the Sovereign Grand Lodge should have the control of manufacturing and sale or rather of the sale of all supplies to Subordinate lodges, including paraphernalia and regalia. This question caused considerable debate. It is barely possible that some of the members of the Sovereign Grand Lodge own interests in or boost paraphernalia houses, existing independent of the Sovereign Grand Lodge and they opposed this question as did some other members who are not interested in these factories. However the matter was laid over until next year to be taken up again and it is probable that some action will be taken regarding the price of these products.

The old question of not allowing manufacturers of liquor to become members was again defeated, two Kansas delegates voting for and two against the proposition.

The price of official receipts was reduced to 45 cents per book of 100 and upon a resolution offered by a Kansas representative the printing committee were ordered to use a better quality of paper for receipts. No lodge is allowed under any circumstances to use other than the official receipt.

The question of Grand Lodges and Grand Encampments having

the right to appropriate money for the Patriarch Militant was brought out by the Iowa delegation in a decision, they were much opposed to a jurisdiction having the right to advance money from their general fund to boost up any particular branch of the order, this however has been left entirely with the jurisdictions to decide whether or not they desire to spend their money to assist the play soldiers of the order. Personally I believe the Kansas delegates are opposed to the plan and believe each branch of each order should be sufficiently strong to manage its own affairs.

In the election of officers Deputy Grand Sire John L. Nolen of Tenn., was elected Grand Sire without opposition. John B. Goodwin of Georgia and M. Richard Muckle of Pennsylvania were re-elected Secretary and Treasurer without opposition. W. L. Kuykendall was elected Deputy Grand Sire after five ballots, with Bro. Cochran of Indiana and Bro. Kellar of Texas close seconds, in fact at one time Bro. Cochran lacked but very few votes of being elected. Bro. Kuykendall is from the jurisdiction of Wyoming, one of the smallest in the Grand Body. He is a man of advanced years, but a worthy hard working Odd Fellow.

There were present from Kansas about 50 members and Kansas Sun flowers were in great demand. It seemed that every visitor desired a Kansas badge and had the Representative supplied all their wants their cost would have been far greater than all the money they received from the Sovereign Grand Lodge. Some jurisdictions furnishes badges to their representatives to advertise their states. I believe that Kansas has never been called upon to do so and probably never will. The badge proposition is an expensive luxury, but a very pleasant past time.

Past Grand Master W. L. Brown was probably the best Grand Messenger that has served the Sovereign Body and we are very sorry to know that he retires at this time as he certainly was a great benefit to the sessions both in Denver and St. Paul as he is a tireless worker and a man thoroughly posted and ever ready to perform the duties whether they belong to his position or that of some one else. Kansas was favored with excellent seats near the center of the hall, this we attribute to the watchful care of Bro. Brown who had much to do with the drawing of the seats. We are also sorry that Bro. Brown cannot retain a position permanently in the Sovereign Grand Lodge, as we believe if he were able to do so he might some time fill the chair of Grand Sire, but Kansas nor any other state cannot expect these things until some member has been in the Sovereign Grand Lodge for a considerable length of time.

Each member from Kansas was favored with committee appointments, but none of them has chairman places. This is another position that can only be attained by long service. Bro. Saunders was

appointed chairman of Tellers in the election, of course this is not a standing committee that I refer to above.

Seattle was selected as the next meeting place and it will be an enjoyable trip for representatives or those who desire to attend, although it will be a very expensive proposition to carry the Body to the extreme Northwest corner of the United States.

The Denver people probably put up the most expensive excursion that has ever been given to the representativs at any meeting of that Body. They chartered two trains taking all the representatives and their wives free and others who desired to pay $3.50, from Denver to the top of the Continental divide over the Moffat route ascending to an elevation of more than 12,000 feet above sea level, stopping where there is perpetual snow. We left Denver in the morning about 9 o'clock and returned in the evening at 6. Three engines were attached to each train and the coaches were all loaded. A lunch was served on the train and we rested for an hour on the Summit of the Rockies. This road is not completed through to Salt Lake City, but will when completed greatly shorten the distance from Denver to the Pacific Coast. It is a continuation of tunnels (there being 29 in 12 miles of this route) and passes over deep canyons and around beautiful lakes, encircling mountain tops and ascending to the clouds. The scenery on this route is both beautiful and wonderful. Italy boasts of its St. Gothard, Switzerland of its Matter-horn, Egypt of its Pyramids, Syria of its Damascus, but there is nothing so wonderfully built by the hands of man nor by the Gods of nature as the great Rocky Mountains of North America. Their vastness, their great area and the ease with which the traveler may look upon them with our modern railroads that actually pass over them, through them and under them makes a sight that every one should see and it is probable that the Moffat route when completed will be the greatest scenic road in the entire world. It has a higher elevation than any broad-gauge road on earth.

The parade in Denver was badly arranged. The Representatives were taken in carriages as they commonly are and in place of being taken over the city in the parade we were dropped behind, taken two or three blocks, then left standing in the almost tropical sun for two hours to review the parade in its counter march. It seems that the committee's idea of a parade was very crude, but a very small per cent of the visitors had a chance to see the representatives of the Sovereign Grand Lodge and there was no thought of the comfort of the representatives nor the Grand Lodge officers. The Grand Sire was compelled to stand for two hours on the steps of the carriage in the broiling sun when the thermometer was about 90 degrees, in fact I hope the Kansas Representatives will never again be compelled to stand the tortures of that after-noon When I came

into St. Paul one year ago committees were at the depot, were at all the hotels and in fact all over the city to look out for the interest and well fare of the visitors, but in Denver it would have taken a search warrant and a company of soldiers to have found a committeeman and when you did find one he knew absolutely nothing of what was going on. The one aim seemed to be to do the visitor and do him well for he passed that way but once.

A few statistics of present conditions of the Order may be appropriate here.

Dec. 31, 1907, we had a subordinate membership of	1,442.757
Encampment membership	208.437
Rebekah membership, Sisters 371,687, total	571,200
Total membership, number of persons	1,814,445
Total relief paid 1907	$5,112,993 75
Making a net increase for 1907 in subordinate membership	80,448
And a gain in Rebekah sisters of	24,464

Thus year by year more money is expended for the relief of the needy and distressed. Year by year more homes for children and aged are established in this the greatest of all bnevolent fraternal societies, and with this the senior representative lays down his mantle of fraternal responsibility in the sovereign body to be taken up by one more worthy, but if he be through with the high and mighty position in our order there is still a subordinate lodge at home that is ready to welcome him to its work and in fact is the place where the good is accomplished, that is the place where all the real things of value are begun, continued, and ended.

G. W. Allaman,
Jno. I. Saunders.

Report No. 3.

Bro. B. F. Stocks, from the Committee on Charters and Semi-Annual Returns, submitted the following report, which was adopted:

To the Grand Lodge, I. O. O. F. of Kansas:

We, your Committee on Charters and Semi-Annual Returns beg to report:

We have made a very careful examination of the returns of term ending Dec. 31, 1907, and for term ending June 30, 1908, and made the following observations:

In comparison with the reports of a year ago, we find a very decided improvement in the reports,—showing evidences of more care on the part of the Secretaries in the preparation of the reports, yet we still find a number of cases where the report is made in pencil, and badly erased, and defaced. Such reports would be intolerable in financial, or good business concerns,—yet the number is much less than in last session of this Body.

A larger percentage of the reports are in typewriting, and in neat legible scrip. There is still need of care on the part of many of the Subordinate lodges in the selection of the secretaries. The secretary should be selected with a view of his fitness, and when a good one is secured, keep him.

We repeat our recommendation of a year ago, that the Grand Lodge should insist upon better work in the reports of many of the lodges.

We note the following defects, and criticisms on the reports for term ending December 31st, 1907:

The following lodges fail to report officers for the ensuing term: Nos. 117, 157, 175, 190, 193, 204, 231, 253, 299, 365, 368, 387, 408, 450, 461, 590.

No. 88 reports no officers, no certificate of auditing committee, and report is in bad condition generally.

In the following reports the number of increase of members, and the list of new members do not agree: Nos. 34, 116, 126, 281, 481, 495, 568, 579, 589.

The number of membership lost, and list of members lost do not agree; Nos. 146, 177, 294, 365, 371, 390, 397, 479, 491, 492, 495, 497, 521.

In the following lodges the report of number of members, and the list of names of the membership do not agree. Nos. 134, 154, 189, 204, 221, 286, 311, 320, 337, 343, 417, 469, 554.

No. 294, reports five members dropped n. p. d., but fails to give list of names,—leaving only eight members. This lodge should get busy for new members.

In the following reports the Secretary fails to sign the certificate on last page: Nos. 132, 149, 156, 309, 584, 598.

While in the following reports the certificate on last page is not dated: Nos. 14, 37, 132, 148, 156, 176.

The Financial Secretary fails to sign the certificate on first page in following: Nos. 4, 14, 19, 21, 35, 38, 46, 66, 110, 113, 114, 117, 121, 137, 172, 191, 217, 255, 248, 321, 358, 363, 367, 368, 374, 388, 396, 398, 399, 408, 432, 433, 439, 441, 450, 451, 452, 459, 488, 489, 491, 493, 494, 496, 525, 529, 540, 560, 561, 564, 568, 573, 578, 580, 581, 584, 590, 593, 594, 601, 602, 603.

(In all cases where one Secretary only is elected by the lodge he is required to, and should perform the duties of both financial and corresponding secretary.)

No. 495 reports one brother expelled, but fails to give his name and date of expulsion.

Nos. 65, and 371 each report the decease of a brother, but the secretary fails to list the name of the deceased brother, or to give dates of decease.

No. 606 reports 20 new members by initiation, but fails to give list of their names anywhere in the report.

No. 26 reports but eight members, with 7 past grands. This is a fine showing of P. G.'s, but this lodge should get busy and increase its membership.

The following reports fail to designate, as required, the past grands in its list of membership, Nos. 43, 245, 407, 419, 451.

The No. of past grands are not given in No. 397.

No. 570 fails to give a list of its membership.

The reports of the following lodges are in such bad conditions as to make them totally worthless as a report: Nos. 518, and 584.

The following lodges report no insurance: Nos. 26, 58, 257, 269, 291, 294, 299, 325, 338, 356, 378, 379, 517, 521, 548, 563, 566, 573, 584, 585, 591, 593, 604, 505. Several lodges give as excuse for not carrying insurance; "not incorporated." Incorporation is not necessary to carry insurance. We feel inclined the recommend that in any case of loss by fire, where the lodge property was not insured the Grand Master should refuse to permit the lodge to solicit aid from other lodges.

The Auditing Committee's report is not signed in following, Nos.

386, 491, 495, 547. And is not dated in followings, Nos. 217, 231, 253, 495, 498, 584.

No. 175 reports a gain in membership, and also a loss in membership,—but fails to give names of either.

No. 520, in list of membership gives 52 names, while under the tabulated statement on page 2, is reported 44 members—which is correct? Per capita tax is paid on 44 members, and if this is correct, then the secretary should furnish the Grand Secretary, with a revised, corrected list of the membership.

No. 503 presents a specially neat and well gotten up report, on typewriter, and both certificates are signed "in typewriting." Bro. Crotts should however place his personal signature, in scrip on his report, and not print his name on typewriter.

No. 576, at proper place reports, "we have no widows, but have one widower."—"he has no children."

Financial:—Perhaps more errors occur in reporting the finances of the lodges than on any other item.

No. 43 shows no collections, and no disbursements for the term. Is this a true statement of the fact, or an oversight? If correct, what of the term per capita tax?

The following reports shows a discrepancy between the amount of cash in hands of the treasurer, and amount shown in his hands by the auditing committee's report: Nos. 78, 153, 304, 408.

No. 44 reports, "invested in B. & L. stock, $1,175." This report should be more definite. What stock, and is value reported par value, or present actual value?

No. 52, with 116 members reports $5,000 loaned on good security. We want to commend this lodge for its frugality, and business tact. Many other lodges could with profit follow its business example.

No. 49, reports as "loans," Aetna B. & L. stock, $1,599.79. This should be reported as an investment, not a loan, and should be more definite as to values. Is par value given, or present cash value?

No. 176, reports as "loaned" on school warrants, $150. There is no authority for such security, and we doubt the feasability of investing in school warrants—because if school district has money to pay, interest ceases, and there is no authority for a school district to issue "time warrants."

The following reports show loans in the Auditing Committee's report, but does not show list of loans, or show securities: Nos. 55, 66, 64, 75, 133, 153, 212, 266, 275, 322, 527. No. 191 lists loans in part only.

Nos. 16 and 33 reports "loans," but both fail to show proper security.

217, shows $400 "loaned to the Trustees,"—this should be explained.

No. 95 shows $300 loaned, dated, Jan. 2, 1888, due on demand. It does not show if interest is kept up. If this loan is good, renew it,—take new paper,—otherwise charge it off, and do not carry as assets if worthless.

No. 82 reports $1,861.90 in hands of trustees,—and in bank on certificate of deposit. While No. 101 reports $1,500 same. There is authority for carrying money on time deposits. If the bank fails, are not the Trustees liable for the money. The lodge has no power to relieve them by directing money to be deposited.

No. 226 reports five past due loans, but fails to show if interest is kept paid up. If in default, these should be looked after, and have them renewed. Do not let paper run, and become defaulted.

No. 253, reports two past due notes. Is interest kept up? See remarks last above.

No. 239, reports $1,027.50 "loaned to the bank,"—but names no security.

No. 492 reports $2,450.00 in Odd Fellows and Masonic Building stock as "loans and mortgages." This should be reported as an investment. Is this par value of the stock, or cash, present value?

It will be noted that several lodges report funds in the hands of the Trustees, and at the same time report these funds "deposited in bank," or "in bank on time certificate of deposit," It might be well to note that the trustees are responsible for such funds, under their bonds, as there is no authority for depositing funds in the bank, and such funds so deposited, or on certificate is at the risk of the Trustee—and even the lodge can not relieve them of such responsibility.

We note the following observations upon the reports for the term ending June 30th, 1908:

The seal of the lodge is not impressed on the report from No. 193.

The name and number of the lodge is omitted from last page in Nos. 237, 38, 370, 461, 503, 599.

The number of past grands are not noted in the following reports, Nos. 245, 265, 340, 358, 370, 372, 397, 425, 429, 443, 463, 481, 573.

The following reports are in bad condition, being erased, scratched, and present bad appearance: Nos. 216, 239, 362, 466, 478, 579.

Reports of the following lodges are written in pencil—should be in ink: Nos. 23, 82, 149, 158, 178, 203, 367, 383, 401, 432, 479, 498, 503, 552, 596, 615.

Certificate on last page is not signed by the Auditing Committee in Nos. 23, 455, 483, 558, 502, 569, 575, 590.

No officers are reported for the ensuing term in Nos. 253, 459, 518, 558, 562, 569, 612.

The Secretary neglects to sign his certificate on last page in following: Nos. 40, 177, 238, 502, 513, 517, 589, 590, 367, 370, 478.

The Secretary neglects to sign certificate on first page: Nos. 38,

43, 46, 66, 75, 79, 86, 105, 121, 126, 133, 137, 166, 172, 185, 191, 193, 204, 210, 212, 244, 257, 269, 273, 286, 290, 298, 302, 311, 321, 322, 341, 343, 344, 351, 367, 368, 372, 380, 383, 388, 389, 396, 397, 399, 406, 408, 412, 414, 416, 424, 429, 433, 439, 441, 450, 451, 452, 454, 466, 469, 473, 474, 477, 478, 479, 482, 483, 489, 494, 496, 508, 512, 516, 517, 518, 519, 522, 525, 528, 529, 538, 540, 547, 553, 554, 558, 560, 561, 563, 564, 373, 576, 577, 578, 580, 581, 586, 597, 599, 601, 606, 608, 609, 610.

No. 21 reports 18 members initiated, but shows none of them advanced to other degrees—is this correct or is the report incomplete?

The number of members reported lost for term, and the lists of names do not agree in the following: Nos. 88, 94, 110, 111, 143, 145, 223, 249, 253, 265, 275, 308, 315, 334, 365, 390, 423, 428, 434, 450, 387, 508, 510, 518, 540, 543.

The number of members reported gained for term and list of names do not agree: Nos. 94, 126, 134, 148, 156, 161, 178, 196, 215, 258, 294, 301, 311, 338, 340, 372, 384, 396, 355, 417, 425, 430, 434, 344, 447, 450, 499, 517, 518, 537, 538, 543, 553, 568, 583, 597.

No. 107 reports 4 dropped n. p. d. but lists none of them.

The following reports one or more brothers lost by death, but gives neither names nor date of death: Nos. 307, 367, 478, 125, 143, 249, 269, 272.

No. 450 reports one initiated, and two dropped, n. p. d., but fails to give names or dates of any of them.

No. 610 reports new members initiated, but fails to give names or dates for any.

No. 553, reports three members initiated, but fails to give list of names or dates.

No. 573 reports one death, and one withdrawal on card, but fails to give names, or dates.

No. 589 reports six initiated, and two withdrawn, but fails to give names or dates.

No. 600 reports both increase of membership, and loss in membership, but fails to give lists of names, or dates.

No. 600 reports both increase of membership, and loss in membership, but fails to give lists of names, or dates.

The Secretary's certificate on last page is not dated in Nos. 23, 107, 140, 147, 177, 244, 268, 341, 432.

In No. 579 the Auditing Committee's report is incomplete.

No. 157 reports 24 members dropped n. p. d., but gives no dates.

In No. 160, the reports as to officers for ensuing term is not complete.

In report for No. 117, the financial statement by the Secretary, and the Auditing Committee's report do not agree.

The following reports give one member each, reinstated, but does

not give the name of the brother, or date of reinstatement: Nos. 134, 156.

The following reports show no insurance on the lodge property: Nos. 257, 284, 290, 401, 325, 356, 430, 433, 498, 518, 519, 521, 525, 540, 591, 593, 604.

FINANCIAL.

Cash in hands of the treasurer as reported in financial statement by Secretary, and as shown in his hands in Auditing Committee's report do not agree,—and no suggestion as to reason why: Nos. 1, 31, 78, 132, 225, 250

No. 275, reports $100 loaned, with no security.

The following reports show loans, in varying amounts, on notes, but not properly secured, and in some instances no security, viz: Nos. 33, 64, 149, 211, 212, 318, 334, 393, 418, 505, 527.

The following reports show loans in Auditing Committee's report, but are not listed on the following page: Nos. 64, 149, 266, 275, 337, 393, 418, 505, 561.

No. 130 lists $350 loan, but is not shown in Auditing Committee's report.

No. 131 reports $2,700 in notes in Auditing Committee's report, but on following page lists $3,400. Which is correct?

No. 191 reports in Auditing Committee's report notes of $927.70 but lists only $500 on following page.

No. 137 lists $250 in notes, but not shown in Auditing Committee's report.

In Nos. 147 and 250, the financial statement of the Secretary and Auditing Committee's report do not agree.

No. 66 shows loans, but date of maturity is omitted.

No. 33 reports loans long past due. These should be renewed, or if worthless, charge off, and do not carry as a part of the lodge assets.

The report for No. 164, the financial statement is in bad shape. Is badly blotted and erasures, and leaves it indefinite.

In No. 413 the financial statement does not balance.

No. 481 reports $400 on notes, long past due. Renew, or if worthless charge off.

No. 155, reports $600 "in bank by trustees,"—if a loan it should be secured.

No. 101, reports $1,500 in bank on time deposit. This is contrary to the law of the Order. No. 399 reports $807.94 on deposit in bank, on certificate of deposit.

As a caution to bank deposits, we note that No. 417 reports $158.11 in "defunct bank." Is not the treasurer, or trustees liable for this under their bonds?

No. 492 reports $2,590 as a loan, but in Odd Fellows' and Masonic

Building Association. This should be reported as an investment, not a loan. Is the amount reported, par value, or actual amount of cash invested?

No. 69, reports $1,000, of county and city warrants as "loans." This should be reported as an investment, we think. We doubt the wisdom of this class of loans, or investments.

No. 82, reports $1917.75 as a "loan," in certificate of deposit in bank. (See remarks above.) While No. 239, reports as "loaned," by certificate of deposit, $1,068.

No. 284, reports $989.08 in hands of the treasurer, and lodge property of the value of $95, (including regalia and paraphernalia), and no real estate. Better take steps toward getting a hall, or put money on well secured loans.

The following lodges report no Representative for the current term: Nos. 353, 406, 495, 502, 554, 561, 602, 607, 613.

We can not close this report without a word of commendation to the two following lodges, for the marked advance they have made, and commend them to the brethren as showing what push and energy will do.

No. 302 reports a gain of membership in the term from 15 last term to 80 this term,—showing a gain of 65 members, of which 61 are initiates, making a gain of 533 per cent.

No. 278 raises its membership in the term from 28 to 72 being a gain, practically of 300 per cent.

Dispensations have been granted by the Grand Master since last session of the Grand Lodge to the following lodges, and reports on file in the Grand Secretary's office show them duly instituted.

We recommend that charters be granted these lodges.

Linwood Lodge No. 607; Rantoul Lodge No. 608; Alfalfa Lodge No. 609; Manchester Lodge No. 610; Cambridge Lodge 611; Mound Ridge Lodge No. 612; Prairie Vitw Lodge No. 613; Penaloosa Lodge No. 614; Monument Lodge No. 615; Mullinville Lodge No. 616; Bigelow Lodge No. 617; Dearing Lodge No. 618; Monmouth Lodge No. 619; Excelsior Lodge No. 620; and on proper returns of institution No. 621 and 622.

Report No. 4.

Bro. J. J. Roll from the Committee on Grievances and Appeals submitted the following report:

S. F. Adamson vs. Horton Lodge No. 331.

This is an appeal from the action of the lodge in expelling Bro. S. F. Adamson for actions unbecoming an Odd Fellow in that he he had mixed an excessive amount of whiskey with punch that was served at an entertainment held by Horton Lodge.

From the evidence submitted we find the charges and trial regular. We have the testimony of three Odd Fellows to the effect that the said S. T. Adamson admitted that he was guilty of the charges against him. Against this we have the statement of S. T. Adamson denying that he ever made such statements. We believe that the preponderance of evidence is in favor of the lodge.

We therefore recommend that the action of the lodge and the committee of last year be sustained and the appeal dismissed.

Signed by the Committee.

Following this report Bro. J. Jay Buck presented the following resolution:

Whereas, It is the judgment of this Grand Lodge that the punishment inflicted upon Bro. S. T. Adamson by Horton Lodge No. 331 was and is unnecessarily severe and that he has already been sufficiently punished for the offense charged.

Therefore, Resolved, That reprimand by the present Grand Master be substituted for the penalty of expulsion.

The question occurring upon the resolution was lost. The question occurring upon the report of the committee was adopted.

By motion of John I. Saunders the matter of selecting a meeting place to hold the next session of the Grand Lodge was made a special order to be taken up immediately, after the balloting for Grand Warden.

Report No. 6.

J. J. Roll, Chairman Committee on Grievances and Appeals, submitted the following report:

To the Grand Lodge of Kansas, I. O. O. F.:

This is a case where charges were preferred against Bro. John F. Folger for conduct unbecoming an Odd Fellow, by Shawnee Lodge No. 1, the Bro. took a charge of venue to Topeka Lodge No. 40 who acquitted said Brother of the charge.

Bro. W. E. Day of Shawnee Lodge No. 1 appealed from the action of Topeka Lodge No. 40 to the Grand Master, who reversed the decision of said Topeka Lodge No. 40 and ordered said Topeka Lodge No. 40 to reverse their decision and so notify said Shawnee Lodge No. 1 and have said Brother expelled.

We, your Committee after examining all of the papers in the case would be pleased to sustain the action of the Grand Master, but by a late ruling of the Sovereign Grand Lodge at its last session we will be compelled, to sustain the action of Topeka Lodge No. 40 and ask that the case be dismissed.

However we would suggest that this Grand Lodge so amend its

Constitution so that a Brother can take an appeal from the action of a Lodge on acquittal.

SIGNED BY THE COMMITTEE.

Bro. E. S. Bertram of No. 43, made a motion to amend the report by striking out the last clause. A vote was taken on the amendment and it was carried. The question then occurring on the report as amended it was adopted.

Report No. 7.

Bro. J. J. Roll, Chairman of the Grievance and Appeals Committee, submitted the following report, which was adopted:

To the Grand Lodge of Kansas, I. O. O. F.:

We, your Committee on Appeals to whom was referred the appeal of F. E. Jordan vs. Shawnee Lodge No. 1, report as follows:

This is a case wherein F. E. Jordan claims sick benefits. From the evidence submitted the committee find that on Jan. 1st, 1907, the brother was six months in arrears for dues. The brother was reported sick Feb. 5th, 1907, and Feb. 12th the lodge made him a donation of $3,50 which was applied on his dues. At the expiration of six months the brother claimed to be entitled to sick benefits, but from the evidence submitted we believe that brothers sickness was a continuation of the one from which he was afflicted while in arrears.

We therefore recommend that the action of the lodge be sustained and the appeal dismissed.

SIGNED BY THE COMMITTEE.

Report No. 8.

Bro. J. J. Roll, Chairman of the Grievance and Appeals Committee submitted the following report which was adopted:

To the Grand Lodge of Kansas, I. O. O. F.:

G. V. Keever vs. Vesta Lodge No. 153.

This is an appeal from the action of the lodge in expelling Bro. Keever for conduct unbecoming an Odd Fellow.

We, your Committee after due deliberation of all the evidence in this case find that the action of Vesta lodge in expelling Bro. Keever is justified and we recommend that the action of the lodge be sustained and the appeal be dismissed.

SIGNED BY THE COMMITTEE.

Report No. 10.

Bro. J. J. Roll from the Committee on Grievance and Appeals, submitted the following report which was adopted:

To the Grand Lodge of Kansas, I. O. O. F.:

A. J. Colvin vs. Longton Lodge No. 242.

This is a case where Bro. A. J. Colvin was taken sick on April 18, 1908 at Longton, Kansas, the location of his lodge No. 242, and claims personal notice to the lodge on third day of sickness and brings physicians certificate that he was doctored from April 15 to May 3.

On May 3 he was sent to Enid, Oklahoma for his daughter to nurse, and another physician called and Enid Lodge visited the Brother and notified Longton Lodge No. 242 by telegram, which was acknowledged by Longton Lodge No. 242. Bro. Colvin now claims benefits from April 18 to July 3, making 11 weeks.

After careful consideration of the evidence, We, your committee find that the first notice claimed by Bro. Colvin was not sufficient and would recommend that Longton Lodge No. 242 pay him benefits for 8 weeks in the sum of $24 or for the time Longton Lodge was notified from Enid until July 3.

Report No. 12.

Bro. W. M. Glenn from the Committee on Necrology submitted the following report which was adopted:

To the Grand Lodge of Kansas, I. O. O. F.:

Again are we called upon to mourn the death of many good and true Odd Fellows of Kansas, 358 in all, who have passed over the river during the past year. We are reminded of the consuming process of time and that according to the Divine purpose it will not be many years until all the members of the present session of the Grand Lodge shall have gone to that bourne whence no traveler returns. How important, then, that we should ever keep in mind the teachings of our great fraternity; that we should endeavor at all times to carry out the pure principles of friendship, love and truth, to the end, that we may better be prepared for that change which is so sure to come to all of us. These brothers, whose names we record on our roll of honored dead, can no longer aid us with counsel and active assistance, but we can learn lessons in Odd Fellowship from their lives, and as they upheld the banner of Odd Fellowship in their lifetime may their influence go on and on like the effulgent light of God's sunshine until the brotherhood of man and the fatherhood of God shall permeate our very being and the law of universal brotherhood shall in verity bind all nations, tongues and creeds. The full list of our departed brothers, whose memories we revere, follows in the Appendix.
